

'An extraordinary portrait of an extraordinary era'
GYLES BRANDRETH

A black and white profile photograph of Margaret Thatcher and David Cameron. Thatcher is in the foreground, looking slightly to the right. Cameron is behind her, also looking to the right. The image is high contrast, with their faces illuminated against a dark background.

THE CONSERVATIVE PARTY FROM THATCHER TO CAMERON

SECOND EDITION

TIM BALE

The Conservative Party From Thatcher To Cameron

Christian G. Meyer

The Conservative Party From Thatcher To Cameron:

The Conservative Party Tim Bale, 2017-01-19 The Conservatives are back and back with a bang two election wins in a row and providing they can hold things together in a pretty good position to win another But many questions about their recent past present and future still remain Just why did the worlds oldest and most successful political party dump Margaret Thatcher only to commit electoral suicide under John Major And what stopped the Tories getting their act together until David Cameron came along Did Cameron change his party as much as he sometimes liked to claim or did his leadership both in opposition and in government involve more compromise and more Conservatism than we realize Finally what does the result of the EU referendum mean for the Party in years to come The answers as this accessible and gripping book shows are as intriguing and provocative as the questions Based on in depth research and interviews with the key players Tim Bale explains how and why the Tories lost power in 1997 and how and why they have eventually been able to rediscover their winning ways even if internal tensions and external challenges mean they still cant take anything for granted Crucial he suggests are the people the power structures the ideas and the very different interests of those involved This second edition of *The Conservative Party From Thatcher to Cameron* is a must read for anyone wanting to understand what makes the Tories tick

The Evolution of Conservative Party Social Policy B. Williams, 2015-05-13 This book addresses how the Conservative Party has re focused its interest in social policy Analysing to what extent the Conservatives have changed within this particular policy sphere the book explores various theoretical social political and electoral dimensions of the subject matter

The territorial Conservative Party Alan Convery, 2016-07-15 How did the territorial Conservative Party adapt to devolution This detailed analysis of the Scottish and Welsh Conservative Parties explains how they moved from campaigning against devolution to sitting in the Scottish Parliament and Welsh Assembly Tracing the processes of party change in both parties this study explains why the Welsh Conservatives unexpectedly embraced devolution while the Scottish Conservatives took much longer to accept that Westminster was no longer the priority This book will be of interest to students of British Scottish and Welsh politics and anyone who is interested in the Conservative Party It also speaks to wider debates about the nature of devolution party change and multi level governance

The Rise and Fall of British Policy for Membership of Europe John S.F. Wright, 2024-08-17 This is a book about policy change that focusses on a single case study the rise and fall of the British policy for membership of European institutions It traces the establishment of British identity as a European Member State and the meaning of the country s participation in the block in 1973 to its deterioration through the 1980s 1990s and 2000s ending with its eventual failure at the 2016 referendum Considering the abject state into which the meaning and identity of the pro European policy had fallen by that time the book argues that while David Cameron might have lost his June referendum by a slender 1 8% majority he should have lost by a whole lot more It also raises important implications for understanding the nature and dynamics of policy change in UK politics and beyond It will appeal to scholars

and students of political theory public policy British and European politics Britain at the Polls 2010 Nicholas Allen, John Bartle, 2010-12-08 The ninth book in the long running Britain at the Polls series the 2010 edition looks back at the political landscape since 2005 with special focus on the transition from Tony Blair to Gordon Brown the impact of the financial crisis and the shifting dynamics of the main opposition parties The 2010 election is analysed in this context and the final chapters look ahead to assess the fortunes of the new government A strong line up of contributors includes Tim Bale Judith Bara Ben Clements Oliver Heath Ron Johnston Michael Moran Philip Norton Charles Pattie Thomas Quinn James A Stimson and Paul Webb Praise for Britain at the Polls 2005 Britain at the Polls is political science at its best thorough but not dry serious yet accessible trenchant but not mendacious Peter Kellner A fresh insight into the 2005 general election both what happened and above all the significance for the direction of British politics in the Blair and post Blair eras Peter Riddell a thoughtful lively and stimulating account of the underlying reasons for the historic third successive Labour victory With a first class set of contributors this well written and accessible volume will be essential reading for all concerned with British elections voting behavior and party politics Pippa Norris The Conservatives since 1945 Tim Bale, 2012-09-21 What do we really mean when we say a political party has changed And exactly what is it that drives that change Political scientists working in the comparative tradition have come up with a general explanation that revolves around the role of election defeats and loss of office and around changes of leader and factions But how well does that explanation cope when subjected to a historically grounded and therefore robust examination This book tries to answer that question by subjecting the common wisdom to a real world over time test using one of the world's oldest and most successful political parties as an in depth case study What do the periods spent in both opposition and government by the British Conservatives since 1945 tell us about what drives parties to change their sales force the way they organize and the policies they come up with Using internal papers memos and minutes of meetings from party archives along with historical and contemporary accounts memoirs and interviews this book maps the extent of change and then explores what may have driven it The conventional wisdom it turns out is not necessarily wrong but incomplete requiring both qualification and supplementation This approachably written book suggests when how and why Along the way it provides a fresh and comprehensive account of the Conservative Party that should appeal equally to those interested in political history and those interested in political science The Conservative Party After Brexit Tim Bale, 2023-03-13 The Conservative Party has long laid claim to being the world's most successful political party not least because it is also one of the most adaptable often appearing to do and say pretty much whatever it takes to win But has it now shot itself in the foot by trying too hard to fight off Nigel Farage Since the UK voted to leave the EU back in 2016 the Tories have arguably done more than simply re shape themselves rather they seem to have transformed themselves from a mainstream centre right party into an ersatz radical right wing populist outfit one characterized by an often counter intuitive combination of culture war concerns on the one hand and free market fundamentalism on the other In

this compelling and persuasively argued book Tim Bale one of the country's foremost experts on contemporary British politics takes us on a rollercoaster ride through the Conservatives' fortunes over the last decade From the bombshell Brexit referendum through the chaotic premierships of Theresa May Boris Johnson and Liz Truss to the party's electoral comeuppance under Rishi Sunak and its attempted renewal with Kemi Badenoch at the helm Bale tells the fascinating tale of a party that in just a few short years has gone from nervous breakdown to top of the world and back again From Crisis to Coalition P. Dorey, M. Garnett, A. Denham, 2015-12-04 In 2010 the Conservative Party returned to office after over a decade of largely ineffective opposition to New Labour This book explains why it took so long to recover and why the party was unable to win an overall majority despite the charismatic leadership of David Cameron It covers all aspects of Conservative Party politics since 1997

Understanding Contemporary American Conservatism Joel Aberbach, 2016-08-05 Contemporary American conservatism a m range of ideas people and organizations is difficult to define even conservatives themselves are unable to agree about its essential meaning Yet the conservative movement is well financed exerts strong influence in the Republican Party inspires followers throughout the land and has spawned a network of think tanks and media outlets that are the envy of its competitors It is a powerful political force with which to be reckoned This book examines how that has come about and what contemporary conservatism signifies for US politics and policy It looks at the recent history of conservatism in America as well as its antecedents in the UK traces changes over time using American National Election Study data from 1972 to the present in what it means when people say they are conservatives and assesses the prospects for American conservatism both in the near term electoral context and over the longer term as well *The Coalition Effect, 2010-2015* Anthony Seldon, Mike Finn, 2015-03-19 The British general election of May 2010 delivered the first coalition government since the Second World War David Cameron and Nick Clegg pledged a new politics with the government taking office in the midst of the worst economic crisis since the 1930s Five years on a team of leading experts drawn from academia the media Parliament Whitehall and think tanks assesses this coalition effect across a broad range of policy areas Adopting the contemporary history approach this pioneering book addresses academic and policy debates across this whole range of issues Did the coalition represent the natural next step in party dealignment and the evolution of multi party politics Was coalition in practice a historic innovation in itself or did the essential principles of Britain's uncodified constitution remain untroubled Fundamentally was the coalition able to deliver on its promises made in the coalition agreement and what were the consequences for the country and the parties of this union

The Student's Companion to Social Policy Pete Alcock, Margaret May, Sharon Wright, 2012-01-30 These essays convey the immediacy of social policy's intellectual and political engagements with the world and its practical applications in research and employment They also provide an overview of resources available to students

The Routledge Handbook of British Politics and Society Mark Garnett, 2020-05-13 The Routledge Handbook of British Politics and Society conducts a rigorous innovative and distinctive

analysis of the relationship between British politics and society emphasizing that the UK is now far from a monolithic and unshifting entity Examining the subject matter with unrivalled breadth and depth it highlights and interrogates key contemporary debates on the future of the UK the nature of Britishness and the merits of multiculturalism as well as contemporary criticisms of traditional institutions and the nature of representative democracy itself Including contributions from key authors in their respective fields who bring their authority to bear on the task of outlining the current state of the art in British Studies the book provides a fresh examination of the contrasts and the continuities across the whole field of British Politics and Society while setting out agendas for future research The Routledge Handbook of British Politics and Society will be essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research on British politics society and culture **Age of Promises** David

Thackeray,Richard Toye,2021 Age of Promises explores the issue of electoral promises in twentieth century Britain how they were made how they were understood and how they evolved across time through a study of general election manifestos and election addresses The authors argue that a history of the act of making promises which is central to the political process but which has not been sufficiently analysed illuminates the development of political communication and democratic representation The twentieth century saw a broad shift away from politics viewed as a discursive process whereby at elections it was enough to set out broad principles with detailed policymaking to follow once in office following reflection and discussion Over the first part of the century parties increasingly felt required to compile lists of specific policies to offer to voters which they were then considered to have an obligation to carry out come what may From 1945 onwards moreover there was even more focus on detailed costed pledges We live in an age of growing uncertainty over the authority and status of political promises In the wake of the 2016 EU referendum controversy erupted over parliamentary sovereignty Should the will of the people as manifested in the referendum result be supreme or did MPs owe a primary responsibility to their constituents and or to the party manifestos on which they had been elected Age of Promises demonstrates that these debates build on a long history of differing understandings about what status of manifestos and addresses should have in shaping the actions of government *Social Policy Review* 28 Menno Fenger,John Hudson,Catherine Needham,2016-06-29 Published in

cooperation with the Social Policy Association Social Policy Review is an annual volume that draws together international scholarship at the forefront of research on social policy This edition provides a diverse overview of the best in social policy scholarship with specially commissioned reviews of crucial pension health care conditionality and housing debates A themed section on personalized budgets examines the introduction and consequences of funding personalization in the United Kingdom Australia and Norway and considers the impact of such funding on vulnerable groups such as the elderly and the homeless *Political Parties in the UK* Alistair Clark,2018-08-22 The second edition of this popular textbook provides a systematic and comprehensive introduction to UK party politics combining chapters on each of the main parties Conservative

Labour the Liberal Democrats and the Scottish National Party with an assessment of post devolution Scotland Wales and Northern Ireland Clark analyses the extraordinary recent developments in UK politics including Brexit the 2015 and 2016 Labour leadership contests and the surprise 2017 general election exploring how these events have impacted the political parties the people of the UK and the UK's position in the world The book also covers the rise of minority parties such as UKIP the influence of the media and party campaigning organisation and funding Written in an accessible style this new edition is an essential companion for students taking modules on British Political Parties Party Politics or British Politics more generally as well as functioning as a useful background text for modules in Comparative Political Parties It is an ideal introduction for all readers new to the topic New to this Edition A new chapter on the Scottish National Party takes account of their rise their role as a governing party in Scotland and becoming the third largest party at Westminster Up to date coverage of all the latest developments affecting UK political parties including the Scottish referendum the 2015 and 2017 general elections the 2016 devolved elections and Brexit Extended coverage of the rise and fall of UKIP

Racism and the Tory Party Mike Cole, 2022-12-30 Racism is an endemic feature of the Tory Party Tracing the history of that racism Racism and the Tory Party investigates the changing forms of racism in the party from the days of Empire including the championing of imperialism at the turn of the 20th century and the ramping up of antisemitism the imperial and racial politics of Winston Churchill the rise of Enoch Powell and Powellism to the Margaret Thatcher years the birth of racecraft and her policies in Northern Ireland and the hostile environment and its consolidation and expansion under Theresa May and Boris Johnson's premierships Throughout the book all forms of racism are addressed including the various forms of colour coded and as well as non colour coded racism as they are put in their historical and economic contexts This book should be of relevance to all interested in British politics and British history as well as undergraduate and postgraduate students studying the sociology and politics of racism as well as for students of the history of the development of British racism and of imperialism and its aftermath

Exploring Downton Abbey Scott F. Stoddart, 2018-03-29 The BBC television series Downton Abbey 2010-2016 highly rated in the UK achieved cult status among American viewers harking back to the days when serial dramas ruled the airwaves The show's finale was one of the most watched in all of television history This collection of new essays by British and American contributors explores how a series about life in an early 20th century English manor home resonated with American audiences Topics include the role of the house in literature and film the changing roles of women and the servant class the influence of jazz and fashion and attitudes regarding education and the class system

Domestic Policy Discourse in the US and the UK in the 'New World Order' Lori Maguire, 2010-08-11 With the end of the Cold War many commentators expected a renewed emphasis on domestic policy as a result of this major change in foreign policy Until the attacks of 11 September 2001 this is exactly what happened The new world order in domestic terms celebrated the triumph of capitalism and free markets At this time Milton Friedman's economic ideas were all the rage and Keynes completely out of fashion The

economic problems of the 1970s in combination with the manifest failure of communist economies had largely discredited the traditional notion of the Left and party rhetoric reflected this Both the Democrats and Labour had begun in the 1980s faced with the success of Reagan and Thatcher a process of redefinition people talked of New Democrats and New Labour During the campaign of 1992 Clinton insisted on the need for a modern mainstream agenda and used key terms often associated with conservatism like expansion of opportunity choice responsibility and reinventing government Labour especially after Tony Blair became leader in 1994 followed the same path Both the Conservatives and the Republicans had pushed to the right in the late 1970s and continued this trend in the following years Although their electoral fortunes varied they increasingly found themselves divided between moderate and more rightwing members In Britain this division focused on Europe while in the US it usually concerned social and ethical questions By 2010 the Conservatives had attained some cohesion under David Cameron but the Republicans were openly feuding This book s originality lies in its scope in its comparative aspect and its inclusion of first person accounts as well as scholarly studies In particular the book includes one of the first major analyses of the health care debate from Clinton s failed attempt to the conclusion of Obama s successful one Highly up to date and topical it also discusses discourse related to the recent economic crisis the so called Climategate scandal the UK elections of 2010 the gay rights debates in the US Islamophobia and the Arizona immigration law The Conservatives under David Cameron S. Lee,M. Beech,2009-04-08 The Conservatives under David Cameron provides the first and definitive analysis of the development of New Conservative ideology and policy during the tenure of David Cameron identifying both continuity and change and evaluating the party s fitness to govern **Cameron's Conservatives and the Internet** A. Ridge-Newman,2015-12-05 The internet is changing the way we interact and communicate But how is it impacting on more historically traditional institutions like the British Conservative Party This book examines the role of specific internet technologies like ConservativeHome Facebook Twitter and WebCameron in the organizational culture of the Tory Party 2005 14
