Michael J. Wilkins,2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In *Following the Master* Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers

Following Jesus Phillip C. Thraill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me

Footprints on the Mountain Roland J. Faley, 1994 A complete and practical scriptural guide to the lectionary that includes background on all three cycles and suggestions for application to life today Includes optional readings for years B and C The Holy Family Baptism of the Lord Ascension and Pentecost

Shaking the Gates of Hell Sharon Delgado, 2020-01-07 Shaking the Gates of Hell Faith Led Resistance to Corporate Globalization breaks new ground by describing the global economy and its effects from the perspective of an integrated theology of the earth as primary revelation and the institutional powers of this world It reaches the conclusion that hope lies in nonviolent resistance and ecological and social responsibility based on God's action in Jesus and in the triumph of God over the powers This book describes today's interrelated social economic and ecological crises and makes the case that we face a living hell on earth if we do not address them It provides an overview of the global economic system and offers a comprehensive theological analysis of the network of primary institutions that make up what Walter Wink calls the Domination System It points readers in the direction of hope based on following the way of Jesus who lived in nonviolent resistance to the powers of his day This new revised edition continues the powerful story of the original extending the analysis of the global economy from the 2008 collapse and recession to its alleged recovery It addresses the Obama administration's policies on economics trade and the environment and provides further reflections on American foreign and military policy in this so called New American Century
