Beverly Barton on Demon Hunting in Dixie **A Tale of Two Demon Slayers** Angie Fox,2013-01-15 Last month I was a single preschool teacher whose greatest thrill consisted of color coding my lesson plans That was before I learned I was a slayer Now it s up to me to face curse hurling imps vengeful demons and any other supernatural uglies that crop up And to top it off a hunk of a shape shifting griffin has invited me to Greece to meet his family But it s not all sun sand and ouzo Someone has created a dark magic version of me with my powers and my knowledge and it wants to kill me and everyone I know Of course this evil twin doesn t have Grandma s gang of biker witches a talking Jack Russell terrier or an eccentric necromancer on its side In the ultimate showdown for survival may the best demon slayer win **Beverly Hills Demon Slayer** Angie Fox,2014-06-10 I m not exactly a diamonds and champagne type of girl Did the fact that I m a demon slaying biker witch give it away But when an ancient cult becomes the in thing in Beverly Hills I can t let it slide Something is off and as a demon slayer I ve learned to always trust my instincts They say it s all youth potions parties and priceless Egyptian artifacts but there s a demon involved and I m not welcome It s not the first time I ve been kicked out of a place I go in undercover along with my sexy Greek shape shifter husband my biker witch buddies and a dog that is way too fond of free appetizers and the red carpet lifestyle Between dodging detection and uncovering ancient secrets I have my hands full And when the demon manages to hook his claws into my eternal soul I realize I may be stepping out for my final event **What to Expect When Your Demon Slayer is Expecting** Angie Fox,2018-04-18 **Night of the Living Demon Slayer** Angie Fox,2016-12-31 *My Big Fat Demon Slayer Wedding* Angie Fox,2013-06-29 What s your favorite way to get revenge Mine is ordering poofy bridesmaid dresses for biker witches Yes my studly Greek griffin has popped the question And no I m not a small simple wedding type of girl Sorry not sorry Oh look a big ass mansion for rent Too bad being a demon slayer makes everything more complicated For starters the vengeful Earl of Hell is on my tail and trying to crash the party And now it seems one of the guests at the eccentric seaside mansion is possessed and trying to kill me Maybe I should just elope My studly groom vows to protect me at all costs Yet even he s acting strange And minions of the devil are popping up everywhere As the wedding draws closer I have to learn who is behind the attacks and fast or risk losing everyone I love **Fang-tastic Fiction** Patricia O'Brien Mathews,2011 Mathews uses a limited definition of paranormal and examines works set for the most part in a relatively realistic modern world inhabited by both humans and paranormal beings *Date With A Demon Slayer* Angie Fox,2017-01-01 *Immortally Yours* Angie Fox,2012-08-28 From a bestselling author comes a thrilling new series about ancient gods modern love and one star crossed couple who could use some divine intervention Original *Ava and the Demon Slayer* Seth Kinstle, From the depths of hell to the peak of an ego We have alternative options to the fate of our natural selves In this epic story the Earth is overrun by demons leaving our hero with a series of crucial decisions His dark past seems to get the best of him but he will stop at nothing to take back what s his The forces of evil can be corruptible but can he be stronger **Werewolves of London** Angie Fox,2020-12-04 A cease fire in flames A dragon on the loose And

wouldn't you know it Guy trouble Getting drafted into a paranormal MASH unit during a war between the gods was life changing to say the least And it hasn't left me with much of a personal life Case in point deciding what to buy Medusa for her baby shower should have been my only me time task for the week But when my hot as Hades ex boyfriend storms back into my life dragging a wounded half mad dragon shifter things get complicated The dragon may be the key to ending the war if I can heal her and keep her hidden To do it I'll need the help of both my current guy and my ex because nothing says love like a covert operation But I can't just let her die or fall into enemy hands Even if keeping a lid on her secret might force me to reveal mine Either way there's no going back This time I have no choice but to change the world or die trying Warning This book contains Medusa's baby shower a dragon out of uniform exploding showers oracles gone wild romance adventure and a well deserved happy ending in a MASH camp where everybody knows your business The core of this book was originally called Immortally Ever After published by St Martin's Press in 2013 The author has rewritten it into the way she always envisioned the story to be which means it is now a romantic comedy instead of an angsty book There's also more community more fun and more Medusa Pro tip do not ignore Medusa

The Transylvania Twist Angie Fox, 2020-12-04 A shaky truce A pregnant Medusa And a dedicated doctor who keeps legends alive Even during a truce I have my hands full as a MASH surgeon to an army of warring gods especially when Medusa herself turns up pregnant I frankly have no idea what to expect when a Gorgon's expecting but I have an even bigger problem when my presumed dead former fianc sneaks into my tent with enough emotional baggage to fill a tank He's been fighting for the other side which technically makes him my enemy and now he needs me and the power I've kept secret for so long I can see the dead It's a blessing and a curse Literally Because the gods will smite me in a second if they suspect But the other side is developing a terrible new weapon and the only person who can stop the carnage was just murdered in a covert lab behind enemy lines So I have no choice but to pull on my combat boots and go AWOL with my ex and a moody berserker to confront a ghost with a terrible secret Too bad uncovering the truth could make me enemy 1 Warning This book contains a Star Wars obsessed werewolf an adorable hellhound demigods in peril action romance and friends who put each other first in a MASH camp where everybody knows your business The core of this book was originally called Immortally Embraced published by St Martin's Press in 2013 The author has rewritten it into the way she always envisioned the story to be which means it is now a romantic comedy instead of an angsty book Oh and there are a lot more pet swamp lizards too
