The Dark Place:

The Dark Place Britney S. Lewis, 2023-08-08 You can only hide from your nightmares for so long Seventeen year old Hylee Williams didn't ask to disappear She didn't ask to move from Kansas City Kansas out to the suburbs in Missouri But she did disappear and not only that but when she vanished from our world she materialized in a dark twisted version of the night that changed her life forever the night her older brother went missing Just as Hylee realizes this moment could be the key to unraveling the truth about her brother she's yanked away from the dark place back to our world Craving a sense of normalcy she goes to a party with her best friend where she meets Eilam Roads Tall handsome and undeniably inexplicably familiar Hylee can't help the pull she feels towards him It's a classic teen girl meets boy situation until it happens again She disappears right in front of him Together Hylee and Eilam investigate the truth about time space and reality with Hylee increasingly convinced her time travel holds the key to saving her brother But the more they learn the more Hylee begins to see darkness lurking in her world and in herself Britney S Lewis's sophomore novel combines the quotable relatability swoony romance and emotional resonance of John Green with the surrealist horror imagery and razor sharp wit of Jordan Peele At once haunting and enchanting and entirely unforgettable *The Last Dark Place* Richard J. From a Dark Place Lee Beck,2012-11-29 The killings began in May when the body of a young teacher was discovered in the bedroom of her historic Society Hill home of Philadelphia The second victim was found seven days later The number of victims grew incrementally during the uncomfortably wet and humid Spring and Summer Each of the victims surgically mutilated by a madman possessing the skills of a surgeon In a city renowned for its medical institutions and thousands of medically trained professionals one among them was a killer For Captain Leo Gromski of the Special Homicide Unit the

pursuit of a phantom leads to the most shocking revelation a persistent investigator could conceptualize The identity of the killer leads Gromski down the path to the Roach Motel of conspiracies its tentacles stretching from Philadelphia's City Hall to the United States State Department

The Dark Place Sam Millar, 2013-08-01 Young homeless women and drug addicts are being abducted before being brutally mutilated and murdered and a city is held in a grip of unspeakable terror The cops are unable or unwilling to apprehend the elusive serial killer and corrupt politicians turn a seemingly blind and almost approving eye to the catalogue of murders The perpetrator is cunning wealthy and influential More importantly he has never once made a mistake in his grisly calling until now By abducting Katie the young daughter of legendary private investigator Karl Kane the killer has just made his first mistake which could well turn out to be his last Blaming himself for his daughter's abduction Karl Kane must now reach down to the darkest recesses of his troubled soul and mind to become as cunning and merciless as the killer but even that may not be enough to penetrate the fortress like lair where Karl suspects the killer keeps his victims There is only one man capable of helping Kane attack the dark place a man despised and hated by Detective Inspector Mark Wilson but even that help becomes as elusive as any Karl will get from the cops From the nail biting beginning to the explosive ending Karl Kane's nightmarish journey forces upon him a decision that changes his life forever and forces him to look into the abyss of no return
