China's Soviet Dream Yan Li, 2017-09-05 This book examines the introduction of Soviet socialist culture in the People's Republic of China with a focus on the period of Sino Soviet friendship in the 1950s The vast state initiative to transplant Soviet culture into Chinese soil has conventionally been dismissed as a tool of propaganda and political indoctrination However this book demonstrates that this transnational engagement not only facilitated China's broader transition to socialist modernity but also generated unintended consequences that outlasted the propaganda Drawing on archival findings newspapers magazines media productions and oral interview the book delves into changes in Chinese popular imagination and everyday aesthetics contingent upon Soviet influence It proposes a revisionist view of the Soviet impact on China revealing that Soviet culture offered Chinese people the language and imagery to conceive of their future as a dream about material abundance self determination and the pleasures of leisure and cultural enrichment Written with a transnational interdisciplinary and thematic approach this book is aimed at scholars and students in the fields of Sino Soviet relations international socialism modern Chinese history cultural studies and mass communication It will also be of interest to researchers seeking to understand the nature significance and repercussions of Sino Soviet cultural engagement

Marion Winnifred Eaton, Karen E.H. Skinazi, 2012-03-19 The daughter of an English merchant father and Chinese mother Winnifred Eaton 1875 1954 was a wildly popular fiction writer in her time Born in Montreal Eaton lived in Jamaica and several places in the United States before settling in Alberta Her books many of them published under the Japanese pseudonym Onoto Watanna encompass the experiences of marginalized women in Canada Jamaica the United States and a romantic imagined Japan Marion The Story of an Artist's Model is Eaton's only book that explicitly deals with being foreign in Canada The novel follows the life of half foreign Marion Ascoug a character based on Eaton's own sister while never identifying her foreignness Escaping the unrelenting racial discrimination her family endures in Quebec Marion follows her dream of being an artist by moving to New York where she becomes Canadian instead of ethnic a more palatable foreignness Having successfully stripped herself of her ethnicity Marion continues to experience discrimination and objectification as a woman failing as an artist and becoming an artist's model Karen Skinazi's introduction to Eaton's fascinating narrative draws attention to the fact that although the novel uses many of the conventions of the race secret story this time the secret is never revealed This new edition of Marion The Story of An Artist's Model brings back into print a compelling and sophisticated treasure of Asian Canadian American fiction that offers a rare perspective on ethnicity gender and identity
