angry and I quivered with fear and expectation The demon stepped closer Asim moved away taking a seat in the chair behind us I could see the lust and excitement on his face Whatever was going to come next he was going to be a spectator and he was going to enjoy it You are to do exactly as I say said the demon You will not speak will not make a noise unless I order it You shall do nothing touch nothing unless I order it I own you completely Understand I swallowed and nodded The demon smiled his sharp toothed malicious smile He reached out a single long black clawed finger and touched my shoulder A burning pain jolted down my arm the moment his nail laid against my flesh I looked down to see a strange symbol glowing on my skin where the demon had touched me The demon pinched the corner of my robe The dress disintegrated beneath his touch turning to ash that floated around me as the last tendrils of material disappeared I was completely naked and at the mercy of a demon Over there Hands and knees Now Erotica BDSM Alpha Male Paranormal Demon Devil Spirit Supernatural Submission Dominance Monster Bondage and Discipline *A Slave For The Demon 3* Verity Vixxen , A young slave woman from the mine pits chosen as a sacrifice A demon of insatiable lust What will happen when he takes her as his own My demon master has taken me to Hell Here I will undergo my punishment for calling him to the mortal plane There will be pain and there will be pleasure He will devise exquisite torture and make me perform for an audience of demons Asim is here too and he will undergo the same trials as I At the end the demons will choose a winner one mortal to return to earth the other to remain in Hell Which shall I be This story features BDSM elements whips chains dominance and submission It also features voyeurism finger play fist play rear entry a demon with a very very large appendage and a pair of imps who like to join in on the action Not to be read by the faint of heart This is an 8000 word short story and the conclusion of the *A Slave For The Demon* Trilogy Except There was a shimmer in the air all around us Red mist swirled up from the ground making whirling eddies around Asim and I Each eddy began to solidify growing denser and larger until we were surrounded on all sides by a dozen or so demons of all shapes and sizes Tall and short twisted stretched thin bent and hunched red demons with twisting horns clamored around us watching the two of us with malicious black eyes Each of them had imps on their shoulders like my demon master two exact replicas of themselves All were naked and all were male with huge of various sizes and thicknesses hanging down between their legs They spoke to each other in a deep guttural language that I could not understand I watched them uneasily searching the crowd for my own master He materialized a moment later from the red mist and strode towards where Asim and I sat The other demons drew away from him as though frightened A surge of something lust love and desire to serve flooded through my being at the sight of him He was the finest specimen of the demons taller and broader than the rest and perfectly proportioned with rippling muscles broad shoulders and a tight waist His face was more angular than any human s with a jutting chin and high pointed cheekbones yet he was handsome in a devilish unforgiving sort of way His delicious hung down between his legs the size and girth of a bull s At the sight of his meat wetness spread between my thighs I would do anything to feel him inside me again I would take whatever punishment he dished out My demon master stepped

forward until he stood close to me The heat of him radiated towards me like a furnace I wanted to rush towards him and feel the delicious agony of his scalding skin He gazed down at me with cold black eyes then turned to address the other demons I have brought some pets for our pleasure His voice was a bass rumble They must be punished and re educated What shall we do with them Impale them on spikes yelled a demon Set the imps on them yelled another My demon master raised a black clawed hand and the crowd fell silent I propose a competition At the end I shall choose one of my pets to take back to the mortal realm The other will remain here and you may do as you wish with them Is that acceptable There was a murmur of acceptance all around us It would amuse me to watch my pets mate first Then we can decide what is to be done with them afterward It took me a moment for the demon s words to sink in He wants Asim and I to In front of all these demons My demon master turned his black eyes to me Go on little pets Show us how you BDSM Erotic ebook 2015 supernatural spirit demon devil monster paranormal fantasy science fiction erotica whips and chains whipping back door alpha male dominance and submission

head blinking at her surroundings She stopped as she spied her captors jaw dropping open eyes flaring wide and disbelief surging through her Her head sawed back and forth as the impossibility of her situation slammed into her Her heart stopped for a moment in utter shock as a figure stalked through the darkness flames throwing harsh shadows across its fur as it approached A wolf standing on two legs and taller than a man strode purposefully up towards them It was massive covered in thick slabs of muscle and slate gray fur Its hands ended in shimmering black claws long tail twitching as it kept deft and graceful balance Orange and intelligent eyes sneered down at the prone women as it approached Most excellent it rasped Its voice came out as a low growl a rumble that made Kim s limbs twitch in animalistic fear far more primal than anything she d ever felt before She twitched at the words but was unable to tear her face away from the creature that stood before her Not one but two Most excellent indeed It is as I said another of the wolves said loping closer to the pair of cowering women Extending our hunting range has brought us a great bounty The first wolf hunkered down slamming one clawed paw down beside Kim s head digging a furrow through the soft dirt Kim shuddered imagining how easily those claws would part her flesh and tried to shy away
