The Class President The Early Days:

The Class President David A. Bourbon, 2013-10 What is the book about David Bourbon faces challenges as a kid growing up amidst the upheavals of the 1950s and 1960s He learns about life and death at age 5 and again as a teenager David grows up like other baby boomers in an era of change the Mickey Mouse Club Sputnik the Pill the Twist the Cuban Missile Crisis school integration President John F Kennedy s assassination the Beatles and an emerging war in Vietnam At sixteen David s life changes when his dad drives home in a new 1963 Ambassador Rambler His romances include a few fumbles along the way as he tries to reconcile love sex and luck David meets these challenges sometimes with success and builds his foundation for life s future renewals Why the Poem Over the years I threw Class President novel material including this poem in a box and when I began to write my first novel this poem seemed more relevant I expect this poem to be in the frontmatter of all of my books in The Class President Series He dedicates this book and poem to US baby boomers and all 1965 high school graduating classes If you meet a jolly fellow with a twinkle in his eye Do not think he s always happy and he has no cause to cry He has faced some grief and sorrows just as you and I have done But he s learned life has its problems and he s fought them one by one He has met a disappointment as he went along his way And like us he too has witnessed a dark night as well as day So if you should meet a fellow who is cheerful all the while Be assured there could be teardrops he could shed instead of a smile What are the book s target markets The primary markets are baby boom generation readers along with their teenage sons and daughters who are curious about the coming of age events and experiences of their parents Describe one scene from your novel On the first day of football practice in August 1962 a line of black football player s faces stare at a row of white faces David and his teammates are standing in the line of white faces An all black Dunbar High School is integrating with an all white Hopewell High School We wonder how this experiment will work out Who will start and who will quit Are we stronger as one team or separate Can we win the state high school football championship And how will we get along off the football field Why did you initially choose to independently publish I read statistics like ninety nine percent plus of the manuscripts are rejected by traditional publishers and think I d be in that group As a textbook author I see the traditional markets and supply chains being ripped apart and reinvented by companies such as Amazon In fact Bloomberg Business Week January 30 February 5 2012 p 58 sums up their bookonomics by stating the following It was a choice between publishers embracing technology and a world class technology company embracing publishing My bricks and mortar textbook publishers are declaring bankruptcy and trying to reinvent themselves Meanwhile technology companies such as Amazon com are defining the new e supply chains I wanted to be a part of the digital book publishing industry Why did you choose CreateSpace and KDP I did my research and decided to go with a division of Amazon CreateSpace I also think the KDP royalty system is a good way to see what s happening My past experience with textbook publishers is their sales reporting systems are so cryptic the author s can t understand it Clarity and traceability of book sales and author royalties
