The Closers Survival Guide

Grant Cardone

The Closers Survival Guide:

The Closer's Survival Guide Grant Cardone, 2015-12-16 The Closer's Survival Guide is perfect for sales people negotiators deal makers and mediators but also critically important for dreamers investors inventors buyers brokers entrepreneurs bankers CEO's politicians and anyone who wants to close others on the way they think and get what they want in life Show me any highly successful person and I will show you someone who has big dreams and who knows how to close The end game is the close

Ways to Boost Your Business Scorpio Digital Press, 2025-07-15 How to Boost Your Business The Boost Your Business contains 3 components It contains your market your audience your merchandise or services and your method the means you sell your product whether or not it's from an internet site an internet store a physical search or head to head I'll teach you the way to search out the proper audience and the way to line up the proper product or service the combo of it and the way to make the proper sales platform the proper funnel and also the excellent sales conversion You will learn one outstanding thing This can be science and you may learn about boosting your business however it works and the way it's remodeled alternative people's lives around the world and the way I discovered this rule I used to be desperate I had no shoppers I had a lot of merchandise I actually have a lot of sales channels however I did not have one key purpose of wherever to send my customers or what message to provide to them to match what they were probing for So I used to be everywhere in the place and I worked day and night and I was exhausted and cash was not available I sat down one weekday and thought however in the world am I going to create this and make it a profitable business I actually have been marketing things online and offline for thirty years with massive success and high profit and have lived a really sensible life with financial gain And suddenly I used to be everywhere in the place with a lot of merchandise and a lot of services and no profit So I spotted that I had to search out one issue to specialize in which was my power product My power product ought to be only 1 issue and once I was about to sell that issue then I might add on I might upsell unending upselling and I ought to have conjointly a couple of down sales for people that would not purchase my one issue therefore I ought to be able to scale back my offerings for people that weren't able to get my full package So that was how I discovered that this was the sole means on behalf of me to possess this terribly clear specialization in one issue and eliminate all the opposite things from my agenda to avoid it from troubling my focus And also the moment I made a decision to specialize in only 1 issue it absolutely was crystal clear to my consumer would be So to make an advertising campaign and market my services to the best shoppers was very easy the instant I made a decision about what my sole provision ought to be For more information grab this book today and grow your business

Platform Based Design and Immersive Technologies for Manufacturing and Assembly in Offsite Construction Lilia Potseluyko, Farzad Pour Rahimian, Nashwan Dawood, Faris Elghaish, 2023-06-27 This book explores the applications of virtual reality technologies in building design and offsite construction Its focus is on how small and medium sized architectural and construction practices with limited budgets and time can implement innovation through
