The Company Man Robert Jackson Bennett, 2011-04-11 The year is 1919 The McNaughton Corporation is the pinnacle of American industry They built the guns that won the Great War before it even began They built the airships that tie the world together And above all they built Evesden a shining metropolis the best that the world has to offer But something is rotten at the heart of the city Deep underground a trolley car pulls into a station with eleven dead bodies inside Four minutes before the victims were seen boarding at the previous station Eleven men butchered by hand in the blink of an eye All are dead And all are union Now one man Cyril Hayes must fix this There is a dark secret behind the inventions of McNaughton and with a war brewing between the executives and the workers the truth must be discovered before the whole city burns Caught between the union and the company between the police and the victims Hayes must uncover the mystery before it kills him

Diary of a Company Man James S. Kunen, 2012-01-10 The funny insightful and inspiring story of a 1960s campus radical turned corporate PR man who finds himself along with his fellow baby boomers in a place called Too Young to Retire and Too Old to Hire James S Kunen author of *The Strawberry Statement* an account of the 1968 student uprising at Columbia University chronicles his adventures on the road to finding meaning in work and life He traces his evolution from a rebellious youth who sees working as a kind of death to a laid off corporate executive who experiences not working as a kind of death to a reinvented and reinvigorated individual who discovers something important and meaningful to do The experience of falling victim to America's recession ravaged economy and the people who run it leads him along a career path far different from anything he had planned After years of making a living Kunen finally learns how to make a life *Diary of a Company Man* will be a revelation

not only to baby boomers but to young people trying to figure out what to do with their lives **Undelivered Letters to Hudson's Bay Company Men on the Northwest Coast of America, 1830-57** Helen M. Buss, Judith Hudson

Beattie, 2011-11-01 In the early nineteenth century when the Hudson's Bay Company sent men to its furthest posts along the coast of North America's Pacific Northwest the letters of those who cared for those men followed them in the Company's supply ships. Sometimes these letters missed their objects: the men had returned to Britain or deserted their ships or died. The Company returned the correspondence to its London office and over the years amassed a file of undelivered letters. Many of these remained sealed for 150 years and until they were opened by archivist Judith Hudson Beattie when the Company archives were moved to Canada. These letters tell the fascinating stories of ordinary people whose lives are rarely recounted in traditional histories. Beattie and Helen M. Buss skilfully introduce us to both the lives of the letter writers and their would-be recipients. Their commentaries frame for contemporary readers the words of early nineteenth-century working and middle-class British folk as well as letters to voyageurs from Quebec. The stories of their lives: fathers struggling to support a family, widowed mothers yearning to see their sons, bereft sweethearts left behind and wives raising their children alone reach out over two centuries to offer rare insight into the varied worlds of men and women in the early nineteenth century, many of whom became settlers in Washington, Oregon and the new British colony of Vancouver Island. Paranoia and Company

Man Joseph Finder, 2006-09-05 From the New York Times bestselling author Joseph Finder comes two thrilling novels in a discounted ebook bundle: *Paranoia* and *Company Man*. **PARANOIA** Adam Cassidy is twenty-six and a low-level employee at a high-tech corporation who hates his job. When he manipulates the system to do something nice for a friend, he finds himself charged with a crime. Corporate Security gives him a choice: prison or become a spy in the headquarters of their chief competitor, Trion Systems. They train him. They feed him inside information. Now at Trion, he's a star, skyrocketing to the top. He finds he has talents he never knew he possessed. He's rich, drives a Porsche, lives in a fabulous apartment and works directly for the CEO. He's dating the girl of his dreams. His life is perfect. And all he has to do to keep it that way is betray everyone he cares about and everything he believes in. But when he tries to break off from his controllers, he finds he's in way over his head, trapped in a world in which nothing is as it seems and no one can really be trusted. And then the real nightmare begins. From the writer whose novels have been called thrilling *New York Times* and dazzling *USA Today* comes an electrifying new novel, a roller coaster ride of suspense that will hold the reader hostage until the final astonishing twist. **COMPANY MAN** A high-octane thrill ride. *San Francisco Chronicle* on *Paranoia*: Joseph Finder's *New York Times* bestseller *Paranoia* was hailed by critics as jet-propelled, the *Page Turner* of the Year and the archetype of the thriller in its contemporary form. Now Finder returns with *Company Man*, a heart-stopping thriller about ambition, betrayal and the price of secrets. Nick Conover is the CEO of a major corporation, a local boy made good and once the most admired man in a company town. But that was before the layoffs. When a faceless stalker menaces his family, Nick, a single father of two since the recent

death of his wife finds that the gated community they live in is no protection at all He decides to take action a tragedy ensues and immediately his life spirals out of control At work Nick begins to uncover a conspiracy against him involving some of his closest colleagues He doesn't know who he can trust including the brilliant troubled new woman in his life Meanwhile his actions are being probed by a homicide detective named Audrey Rhimes a relentless investigator with a strong sense of morality and her own very personal reason for pursuing Nick Conover With everything he cares about in the balance Nick discovers strengths he never knew he had His enemies don't realize how hard he'll fight to save his company And nobody knows how far he'll go to protect his family Mesmerizing and psychologically astute *Company Man* is Joseph Finder's most compelling and original novel yet *Marc-Antoine Caillot and the Company of the Indies in Louisiana* Erin M.

Alcoholic Benjamin Kissin,2012-12-06 The present volume contains a large variety of treatment approaches to the long term rehabilitation of the alcoholic ranging from the biological to the physiological to the psychological to the social The multiplicity of proposed therapies each of which has its strong proponents suggests that alcoholism is either a complex medical social disease syndrome requiring a multipronged treatment approach or a very simple illness for which we have not yet discovered the remedy The latter may indeed be true but we cannot use what we do not know and must use what we do know We do however have the obligation to be responsible in our treatment to provide the best that is known at this time and to be discriminating in our prescription of appropriate treatment for individual patients If there is one conclusion we would like to offer in our preface it is that alcoholics constitute a markedly heterogeneous population with widely disparate needs for whom at least at our present level of knowledge a broad spectrum of treatment modalities is necessary If this is true then probably most of this book has validity With this volume on the treatment and rehabilitation of the chronic alcoholic we bring to completion our five volume series The Biology of Alcoholism As the title of the present volume indicates we have departed from our original intention to deal solely with biological aspects of the syndrome and have attempted rather to produce a more comprehensive work
