s experiences in other cultures bring a richness and depth to *The Unseen Body*. The way he thinks about the body and medicine, the rivers and tributaries, the flowing and unclogging, the top down organization of the brain is extraordinary. Mary Roach. In this fascinating journey through the human body and across the globe, Dr. Reisman weaves together stories about our insides with a unique perspective on life, culture, and the natural world. Jonathan Reisman, M.D., a physician, adventure traveler, and naturalist, brings readers on an odyssey navigating our insides like an explorer discovering a new world with *The Unseen Body*. With unique insight, Reisman shows us how understanding mountain watersheds helps to diagnose heart attacks, how the body is made mostly of mucus, not water, and how urine carries within it a tale of humanity's origins. Through his offbeat adventures in healthcare and travel, Reisman discovers new perspectives on the body: a trip to the Alaskan Arctic reveals that fat is not the enemy but the hero; a stint in the Himalayas uncovers the boundary where the brain ends and the mind begins; and eating a sheep's head in Iceland offers a lesson in empathy. By relating rich experiences in far-flung lands and among unique cultures back to the body's inner workings, he shows how our organs live inextricably intertwined, lives an internal ecosystem reflecting the natural world around us. Reisman offers a new and deeply moving perspective and helps us make sense of our bodies and how they work in a way readers have never before imagined. *Courting an Amish Bishop* by Mindy Steele, 2024-04-01. No One Is Ever Too Old to Love Again. Full of faith, hope, and romance, this new series takes you into the heart of Amish country. Simon Graber became a widower and a bishop early in life. His focus is solely on his very close-knit Old Order Amish community, not entertaining the idea of marriage despite what many of the elders think. When sickness comes to Cherry Grove, Kentucky, Simon reaches out into the next community for help. But help is beginning to look a lot like a second chance when Stella Schmucker agrees to offer her vast herbal knowledge to the sick. Can it be that these two, who have been too busy serving others to entertain the idea of love, have met at just the perfect time for an unlikely courtship? *The Heart of the Amish Series* also includes *The Flower Quilter* by Mindy Steele, *Ruth's Ginger Snap Surprise* by Anne Blackburne, *The Quilt Room Secret* by Lisa Jones Baker, *Mary's Calico Hope* by Anne Blackburne.
