The Coquette And The Boarding School:

The Coquette and The Boarding School Hannah Webster Foster, 2011-07-14 Hannah Webster Foster based *The Coquette* on the true story of Elizabeth Whitman an unmarried woman who died in childbirth in New England Fictionalizing Whitman's experiences in her heroine Eliza Wharton Foster created a compelling narrative of seduction that was hugely successful with readers *The Boarding School* a less widely known work by Foster is an experimental text part epistolary novel and part conduct book Together the novels explore the realities of women's lives in early America The critical introduction and appendices to this edition which explore female friendship and the education of women in the novels frame Foster as more than a purveyor of the sentimental novel and re-evaluate her placement in American literary history *The Coquette, and The Boarding School* Hannah Webster Foster, 2013

The Coquette and The Boarding School Hannah Webster Foster, 2011-07-14 Hannah Webster Foster based *The Coquette* on the true story of Elizabeth Whitman an unmarried woman who died in childbirth in New England Fictionalizing Whitman's experiences in her heroine Eliza Wharton Foster created a compelling narrative of seduction that was hugely successful with readers *The Boarding School* a less widely known work by Foster is an experimental text part epistolary novel and part conduct book Together the novels explore the realities of women's lives in early America The critical introduction and appendices to this edition which explore female friendship and the education of women in the novels frame Foster as more than a purveyor of the sentimental novel and re-evaluate her placement in American literary history *The Boarding School* Hannah Webster Foster, 2017-09-18 Detailing the lives and studies one would have undergone at a boarding school at the turn of the last century including letter writing reading and other studies This is a Green Bird Publication of a quality soft cover suitable for libraries home libraries gifts and keepsakes

The Coquette, or, The History of Eliza Wharton Hannah Webster Foster, 2022-09-15 In *The Coquette* or *The History* of Eliza Wharton Hannah Webster Foster crafts a compelling narrative that reflects the turbulent dynamics of early 19th century American society particularly concerning the roles and expectations of women The novel follows Eliza Wharton a spirited young woman who struggles between societal pressures and her personal desires ultimately illustrating the dangers of a coquette's lifestyle Foster's epistolary style enhances the emotional depth of Eliza's internal conflict while also offering a keen commentary on gender norms morality and the harsh repercussions of defiance against societal constraints This novel occupies a pivotal place in American literature often celebrated as one of the earliest feminist texts in the genre engaging readers in a complex dialogue about autonomy and reputation within a patriarchal framework Hannah Webster Foster a writer and social critic of her time was influenced by the burgeoning feminist sentiments and debates surrounding women's rights Her own background as a woman navigating the intellectual landscape of the late 18th and early 19th centuries informed her creation of Eliza Wharton a character who personifies the struggle for integrity and self-definition amid societal expectations Foster's keen insight into female psychology and moral dilemmas reflects both her personal experiences and the

larger societal discourse of her era This essential read is recommended for anyone interested in early American literature feminist studies or the exploration of moral dilemmas faced by women The Coquette not only captivates with its gripping narrative but also serves as an important cultural artifact that invites contemporary readers to reflect on the enduring themes of choice consequence and the quest for identity Foster s deft storytelling offers a timeless exploration of the personal versus the prescribed making this novel as relevant today as it was over two centuries ago

The Coquette; Or, the History of Eliza Wharton (Dodo Press) Hannah Webster Foster,2008-11-01 Hannah Webster Foster 1758 1840 was an American novelist In the 1770s she began writing political articles for Boston newspapers Her epistolary novel The Coquette or The History of Eliza Wharton was published anonymously in 1797 In 1798 she published The Boarding School or Lessons of a Preceptress to Her Pupils a commentary on female education in the United States

Troping the Body Gwendolyn Audrey Foster,2000 Troping the Body Gender Etiquette and Performance is an interdisciplinary study of etiquette texts conduct literature and advice books and films GwendolynAudrey Foster analyzes the work of such women authors as Emily Post Christine de Pizan Hannah Webster Foster Emily Bront Frances E W Harper and Martha Stewart as well as such women filmmakers as Lois Weber and Kasi Lemmons Specifically Foster notes I was interested in the possibility of locating power and agency in the voices of popular etiquette writers Her investigation led her to analyze etiquette and conduct literature from the Middle Ages to the present Within this wide scope she redefines the boundaries of conduct literature through a theoretical examination of the gendered body as it is positioned in conduct books etiquette texts poetry fiction and film Drawing on Bakhtin Gates Foucault and the new school of performative feminism to develop an interdisciplinary approach to conduct literature and literature as conduct Foster brings a unique perspective to the analysis of ways in which the body has been gendered raced and constructed in terms of class and sexuality Even though women writers have been actively writing conduct and etiquette texts since the medieval period few critical examinations of such literature exist in the fields of cultural studies and literary criticism Thus Foster s study fills a gap and does so uniquely in the existing literature In examining these voices of authority over the body Foster identifies the dialogic in the texts of this discipline that both supports and disrupts the hegemonic discourse of a gendered social order

The Boarding School; Lessons of a Preceptress to Her Pupils Hannah Webster Foster,2019-12-16 In The Boarding School Lessons of a Preceptress to Her Pupils Hannah Webster Foster employs a didactic narrative style that reflects the pedagogical values of early American education This epistolary novel published in 1798 presents a series of letters and lessons delivered by a preceptress to her students exploring themes of morality gender roles and the significance of education in shaping the character of young women Foster s work is deeply embedded in the context of the early republic reflecting the tensions between Enlightenment ideals and the domestic sphere prescribed for women during this period Hannah Webster Foster an early advocate for women s education draws upon her own experiences and observations as both a writer and a teacher Living in an era marked by evolving social

norms she recognized the critical role that education played in empowering women and shaping public life Foster's insights into the struggles and aspirations of her female pupils provide a profound commentary on the societal expectations of the time enriching the reader's understanding of women's roles in the early republic This compelling narrative is recommended for readers interested in early American literature feminism and educational theory Foster's eloquent prose not only engages the reader but also challenges them to reflect on the transformative power of education and the societal constraints faced by women The Boarding School remains a pivotal text that prompts critical discussions about gender and education that resonate to this day

Urban Rehearsals and Novel Plots in the Early American City Elizabeth Klimasmith, 2021 Explores how early American Republic literary texts about urban life played an important role in constructing urban spaces and identities in the young United States and how books allowed readers to access and practice being urban

Urban Rehearsals and Novel Plots in the Early American City Betsy Klimasmith, 2021-11-04 Urban Rehearsals and Novel Plots in the Early American City sheds new light on the literature of the early US by exploring how literature theatre architecture and images worked together to allow readers to imagine themselves as urbanites even before cities developed In the four decades following the Revolutionary War the new nation was a loose network of nascent cities connected by print Before a national culture could develop local city cultures took shape literary texts played key roles in helping new Americans become city people Drawing on extensive archival research Urban Rehearsals argues that literature particularly novels and plays allowed Bostonians to navigate the transition from colonial town to post revolution city enabled Philadelphians to grieve their experiences of the 1793 Yellow Fever epidemic and rebuild in the epidemic's aftermath and showed New Yorkers how the domestic practices that reinforced their urbanity could be opened to the broader public Throughout attention to underrepresented voices and texts calls attention to the possibilities for women immigrants and Black Americans in developing urban spaces while showing how those possibilities would be foreclosed as the nation developed Balancing attention to canonical texts of the early Republic including The Power of Sympathy Charlotte Temple and Benjamin Franklin's Autobiography with novels whose depiction of early cities deserves greater attention such as Ormond The Boarding School Monima and Kelroy this volume shows how US cities developed on the pages and stages of the early Republic building urban imaginations that would construct the nation's early cities

Gender and Work Carrie Prentice, Miglena Sternadori, 2016-04-26 Recent years have witnessed growing scholarly interest in efforts to advance women's work and in exploring the implicit obstacles to gender equity such as the glass floor glass ceiling and glass walls that have persisted in most career fields This interdisciplinary collection contributes to this new field of knowledge by curating scholarly essays and current research on gendered work environments and all the nuanced meanings of work in the context of feminism and gender equality The chapters represent some of the most outstanding papers presented at the Women and Gender Conference held at the University of South Dakota on April 9-10 2015 The unifying focus of this collection is on the work

related intersections of gender race and class which are investigated through a variety of theoretical and methodological approaches Some of the essays provide historical and literary contexts for contemporary issues Others use social scientific approaches to identify strategies for making the contemporary Western workplace more humane and inclusive to women and other disadvantaged members of society Advanced undergraduates and graduate students in women s studies sociology history and communication could use this book in courses that address the gendered workplace from an interdisciplinary perspective Scholars from various disciplines interested in gender and work could also use the book as a reference and a guidepost for future research Finally this collection will be of interest to human resource professionals and other readers seeking to expand their perspectives on the gendered workplace

Exceptional Spaces Della Pollock,2018-06-15 Taking interdisciplinary and diverse approaches these thirteen essays explore the multifaceted relationship between performance and history By considering performance as both a useful frame for understanding historical practices and a mode of historical production itself performance in history and performance as history the contributors chart new directions in such fields as cultural studies contemporary historiography museum studies and life narrative research Geographically and chronologically the collection s sweep is broad ranging from the nineteenth century to the present from Victorian theater to commissions of inquiry in Kenya from dissent in post Soviet Lithuania to plantation tours in the American South Together the essays make up a work that is truly interdisciplinary in breadth and focus By combining the methodologies of history and performance studies the contributors illuminate the structure and function of cultural production in all its forms The contributors are Michael S Bowman Ruth Laurion Bowman Elizabeth Gray Buck Kay Ellen Capo David William Cohen Tracy Davis Kirk W Fuoss Shannon Jackson D Soyini Madison Carol Mavor E S Atieno Odhiambo Della Pollock Jeffrey H Richards and Joseph R Roach

Dred Harriet Beecher Stowe,2009-11-17 Harriet Beecher Stowe s second antislavery novel was written partly in response to the criticisms of *Uncle Tom s Cabin* 1852 by both white Southerners and black abolitionists In *Dred* 1856 Stowe attempts to explore the issue of slavery from an African American perspective Through the compelling stories of Nina Gordon the mistress of a slave plantation and Dred a black revolutionary Stowe brings to life conflicting beliefs about race the institution of slavery and the possibilities of violent resistance Probing the political and spiritual goals that fuel Dred s rebellion Stowe creates a figure far different from the acquiescent Christian martyr Uncle Tom In his introduction to the classic novel Robert S Levine outlines the antislavery debates in which Stowe had become deeply involved before and during her writing of *Dred* Levine shows that in addition to its significance in literary history the novel remains relevant to present day discussions of cross racial perspectives

Nineteenth-century Literature Criticism Laurie Lanzen Harris,1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations

A Companion to American Literature Susan Belasco,Theresa Strouth Gaul,Linck Johnson,Michael Soto,2020-04-03 A comprehensive

chronological overview of American literature in three scholarly and authoritative volumes *A Companion to American Literature* traces the history and development of American literature from its early origins in Native American oral tradition to 21st century digital literature This comprehensive three volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field Contributors explore a broad range of topics in historical cultural political geographic and technological contexts engaging the work of both well known and non canonical writers of every period Volume One is an inclusive and geographically expansive examination of early American literature applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts Volume Two covers American literature between 1820 and 1914 focusing on the development of print culture and the literary marketplace the emergence of various literary movements and the impact of social and historical events on writers and writings of the period Spanning the 20th and early 21st centuries Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars This inclusive and comprehensive study of American literature Examines the influences of race ethnicity gender class and disability on American literature Discusses the role of technology in book production and circulation the rise of literacy and changing reading practices and literary forms Explores a wide range of writings in multiple genres including novels short stories dramas and a variety of poetic forms as well as autobiographies essays lectures diaries journals letters sermons histories and graphic narratives Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries *A Companion to American Literature* is a valuable resource for students coming to the subject for the first time or preparing for field examinations instructors in American literature courses and scholars with more specialized interests in specific authors genres movements or periods
