Polish-Jewish
Reconciliation

The Crooked Mirror A Memoir Of Polish Jewish Reconciliation

Elizabeth Rynecki

The Crooked Mirror A Memoir Of Polish Jewish Reconciliation:

The Crooked Mirror Louise Steinman, 2013-11-05 A lyrical literary memoir that explores the exhilarating discomfoting and ultimately healing process of Polish Jewish reconciliation taking place in Poland today I d grown up with the phrase Never forget imprinted on my psyche Its corollary was more elusive Was it possible to remember at least to recall a world that existed before the calamity In the winter of 2000 Louise Steinman set out to attend an international Bearing Witness Retreat at Auschwitz Birkenau at the invitation of her Zen rabbi who felt the Poles had gotten a bum rap A bum rap Her own mother could not bear to utter the word Poland a country Steinman was taught that allowed and perhaps abetted the genocide that decimated Europe s Jewish population including members of her own extended family As Steinman learns more about her lost ancestors though she finds that the history of Polish Jewish relations is far more complex Although German occupied Poland was the site of horrific Jewish persecution Poland was for centuries the epicenter of European Jewish life After the war Polish Jewish relations soured For Poles under Communism it was taboo to examine or discuss the country s Jewish past Among Jews in the Diaspora there was little acknowledgment of the Poles immense suffering during its dual occupation Steinman s research leads her to her grandparents town of Radomsko whose eighteen thousand Jews were deported or shot during the Nazi occupation As she delves deeper into the town s and her family s history Steinman discovers a prewar past where a lively community of Jews and Catholics lived shoulder to shoulder where a Polish Catholic painted the blue ceiling of the Radomsko synagogue and a Jewish tinsmith roofed the spires of the Catholic church She also uncovers untold stories of Poles who rescued their Jewish neighbors in Radomsko and helps bring these heroes to the light of day Returning time and again to Poland over the course of a decade Steinman finds Poles who are seeking the truth about the past however painful and creating their own rituals to teach their towns about the history of their lost Jewish neighbors This lyrical memoir chronicles her immersion in the exhilarating discomfoting sometimes surreal and ultimately healing process of Polish Jewish reconciliation

The Crooked Mirror Louise Steinman, 2013-11-05 A lyrical literary memoir that explores the exhilarating discomfoting and ultimately healing process of Polish Jewish reconciliation taking place in Poland today Although an estimated 80 percent of American Jews are of Polish descent many in the postwar generation and those born later know little about their families connection to their ancestral home In fact many Jews continue to think of Poland as a bastion of anti Semitism since nearly the entire population of Polish Jewry was killed in the Holocaust The reality is more complex although German occupied Poland was the site of great persecution towards Jews it was also the epicenter of European Jewish life for centuries Louise Steinman sets out to examine the burgeoning Polish Jewish reconciliation movement through the lens of her own family s history joining the ranks of Jews of Polish descent who are confronting both Poland s heroism and occupation afflicted atrocities and who are seeking to reconnect with their families Polish roots

Translated Memories Bettina Hofmann, Ursula Reuter, 2020-02-26 This volume engages with memory of the Holocaust as

expressed in literature film and other media It focuses on the cultural memory of the second and third generations of Holocaust survivors while also taking into view those who were children during the Nazi period Language loss language acquisition and the multiple needs of translation are recurrent themes for all of the authors discussed By bringing together authors and scholars often both from different generations countries and languages and focusing on transgenerational and translational issues this book presents multiple perspectives on the subject of Holocaust memory its impact and its ongoing worldwide communication

A Nazi Camp Near Danzig Ruth Schwertfeger,2022-02-24 Within the vast network of Nazi camps Stutthof may be the least known beyond Poland This book is the first scholarly publication in English to break the silence of Stutthof where 120 000 people were interned and at least 65 000 perished A Nazi Camp Near Danzig offers an overview of Stutthof s history It also explores Danzig s significance in promoting the cult of German nationalism which led to Stutthof s establishment and which shaped its subsequent development in 1942 into a Concentration Camp with the full resources of the Nazi Reich The book shows how Danzig Gdansk generally identified as the city where the Second World War started became under Albert Forster Hitler s hand picked Gauleiter the vanguard of Germandom in the east and with its disputed history the poster city for the Third Reich It reflects on the fact that Danzig was close enough to supply Stutthof with both prisoners initially local Poles and Jews as well as local men for its SS workforce Throughout the study Ruth Schwertfeger draws on the stories of Danziger and Nobel Prize winner G nter Grass to consider the darker realities of German nationalism that even Grass s vibrant depictions and wit cannot mask Schwertfeger demonstrates how German nationalism became more lethal for all prisoners especially after the summer of 1944 when thousands of Jewish woman died in the Stutthof camp system or perished in the death marches after January 1945 Schwertfeger uses archival and literary sources as well as memoirs to allow the voices of the victims to speak Their testimonies are juxtaposed with the justifications of perpetrators The book successfully argues that in the end Stutthof was no less lethal than other camps of the Third Reich even if it was and remains less well known

A Collection of Creative Anthropologies Eva van Roekel,Fiona Murphy,2024-06-28 A Collection of Creative Anthropologies brings together a series of creative work of anthropologists who share the art of writing that arises from ordinary engagement and reveals its potential for the reimagining of anthropological futures and alternative worlds This is a collection of creative anthropology anchored in experimentality and encouragement A book that defies imaginaries of academic convention through the cultivation of a mundus imaginalis requiring moments of pause of introspection and of discomfort This centring of creativity at the heart of anthropology subtly conveys how the complex ethical and moral issues around fieldwork and anthropological theorising can be reflected on through writing otherwise in creative spaces such as this book A Collection of Creative Anthropologies fits the current call for radical revisions of the academic canon in anthropology and the social sciences and humanities more broadly

Chasing Portraits Elizabeth Rynecki,2016-09-06 The memoir of one woman s emotional quest to find the art of her Polish Jewish great

grandfather lost during World War II Moshe Rynecki's body of work reached close to eight hundred paintings and sculptures before his life came to a tragic end It was his great granddaughter Elizabeth who sought to rediscover his legacy setting upon a journey to seek out what had been lost but never forgotten The everyday lives of the Polish Jewish community depicted in Moshe Rynecki's paintings simply blended into the background of Elizabeth Rynecki's life when she was growing up But the art transformed from familiar to extraordinary in her eyes after her grandfather Moshe's son George left behind journals detailing the loss her ancestors had endured during World War II including Moshe's art Knowing that her family had only found a small portion of Moshe's art and that many more pieces remained to be found Elizabeth set out to find them Before Moshe was deported to the ghetto he entrusted his work to friends who would keep it safe After he was killed in the Majdanek concentration camp the art was dispersed all over the world With the help of historians curators and admirers of Moshe's work Elizabeth began the incredible and difficult task of rebuilding his collection Spanning three decades of Elizabeth's life and three generations of her family this touching memoir is a compelling narrative of the richness of one man's art the devastation of war and one woman's unexpected path to healing **Dear California** David Kipen, 2023-10-03

Dispatches from a land of extremes by writers and movie stars natives and visitors activists and pioneers and more California has always been literally a place to write home about Renowned figures and iconoclasts politicians actors and artists the world famous and the not so much all have contributed their voices to the patchwork of the state With this book cultural historian and California scholar David Kipen reveals this long storied place through its diaries and letters and gives readers a highly anticipated follow up to his book Dear Los Angeles Running from January 1 through December 31 leaping across decades and centuries Dear California reflects on the state's shifting landscapes and the notion of place Entries talk across the centuries from indigenous stories told before the Spanish arrived on the Pacific coast through to present day tweets blogs and other ephemera The collected voices show how far we've wandered and how far we still have to go in chasing the elusive California dream This is a book for readers who love California and for anyone who simply treasures flavorful writing Weaving together the personal the insightful the impressionistic the lewd and the hysterically funny Dear California presents collected writings essential to understanding the diversity antagonisms and abiding promise of the Golden State Writings from Edward Abbey Louis Armstrong Ambrose Bierce Octavia Butler John Cage Willa Cather Cesar Chavez Julia Child Winston Churchill Simone de Beauvoir Albert Einstein F Scott Fitzgerald Jane Fonda Allen Ginsberg Dolores Huerta Langston Hughes Zora Neale Hurston Steve Jobs Billy Joel Frida Kahlo John F Kennedy Anne Lamott John Lennon Groucho Marx Henri Matisse Marshall McLuhan Herman Melville Charles Mingus Marilyn Monroe John Muir Ronald Reagan Sally Ride Joan Rivers Susan Sontag Mark Twain Oscar Wilde Laura Ingalls Wilder Mark Zuckerberg and many others
