

THE CRUCIBLE ACTIVITY PACKET

OVERVIEW:

As we read *The Crucible* in class you will be expected to complete all of the critical thinking, analysis, and synthesis activities in this packet. In addition to receiving classwork grades for your work on each of the five acts in the play, your completed assignments will be submitted on the day of the unit exam; collectively, they will be worth one test grade on the fourth six-weeks.

Additionally, you will be responsible for learning all of the words in the vocabulary section of this packet. You will be assessed over these words with objective questions on the quizzes over the acts in the play and on the unit test that you will take over the next few weeks.

As the activities in this packet will comprise a significant portion of your grade, it is fully expected that you adhere to all of the following guidelines:

- Do not lose this packet. Students who lose this packet will be expected to print a new one off of the teacher's website on their own time and with their own printer before or after class.
- Unless otherwise specifically directed, respond to all of the questions, prompts, etc. in this packet in complete sentences. Students **will not receive credit** for responses written in incomplete sentences.
- Complete the chapter assignments in a timely manner. While we will answer many of the questions in this packet as a class, you will be expected to complete some of the activities independently. Do not wait until the last minute to do so or you will not get credit for the individual classwork grades when the various Act assignments are checked during class.
- Bring this packet to class with you every day. We will be working on these assignments on a daily basis throughout the unit.
- Write neatly and be professional. You will lose points on the individual assignments and the collective test grade if your packet is crumpled or torn, if you have drawn all over it, or if your handwriting is illegible.

Students who follow all of the directions above have a wonderful opportunity to earn a very high grade on an assignment which will count as a test. My expectation is that all of my students take full advantage of this opportunity to improve their average.

The Crucible - Literature Kit Gr. 9-12 Chad Ibbotson, 2016-12-14 Step back in time to 1692 in Salem Massachusetts and experience the corruption and ignorance of the Salem witch trials Our resource is easily customizable allowing educators to pick and choose elements to meet their needs Focus on vocabulary comprehension by matching words from the text to their definitions Test student understanding of the play by asking students to fill in the dialog with the missing words from the scene Expand critical thinking skills with short answer opinion questions Supplement an existing unit with in depth writing tasks such as evaluating Reverend Hale s waning confidence in witchcraft that takes place throughout the play Aligned to your State Standards and written to Bloom s Taxonomy additional crossword word search comprehension quiz and answer key are also included About the Novel The Crucible is the award winning play written by Arthur Miller about the Salem witch trials of 1692 One night in Salem Massachusetts a group of girls are caught dancing in the woods by Reverend Parris His own daughter falls into a coma soon after and the town is ablaze with talks of witchcraft The Reverend sends for Reverend Hale to examine the girl for witchcraft Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil A trial ensues causing those accused to either deny these allegations or confess thus accusing someone else This cycle finally culminates in the death of several innocent townsfolk The Crucible is a historical dramatization of true events that show reputation is more important than admitting ignorance
