Snead, 2012-12-07

For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at

the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Fathers Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israels Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israels festal calendar but Gods faithfulness in bringing all those feast days to final fulfillment in Christs Parousia What she brings to the reader is tremendous and exciting insight into how the NT writers applied Israel s feast days to the work of Christ If you have never considered Israels New Moons feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book Whatever you do read the Appendices These special studies are more than worth the price of the book all by themselves Don K Preston D Div President Preterist Research Institute www.eschatology.org *The Return of the Circuit Rider* David Robert Hinshaw, 2011-03-10 In the process of writing two short collections of light hearted material one published and one yet to be published the author became acutely aware that he could not continue forward without addressing what he considered to be the most important issues of human existence All of us have asked ourselves the questions What is the meaning of life and Why am I here Some have rejected the idea of an eternal soul some are undecided while others are largely unconcerned but the author has chosen to embrace the concept and run with it He believes there is a single overriding mission for every individual alive today The sole purpose of this life is to prepare for the next one and every person has been given the ability to control his own destiny When compared to eternity our lives are like a single knot in a rope that stretches around the world From the foundation of the earth a plan has been in place to allow humanity to share the wonders of eternity with the Creator of all things Those who follow that plan

will be rewarded accordingly while those who prefer to separate themselves from the influence of a Higher Power will be granted their wish in eternity If this book convinces one person to follow the plan that leads to redemption then it will have been well worth the effort *Ancient Aliens, the Rapture and the Return of Christ* Chet Cataldo,2011-05-24 Many cultures around the world have records of ancient aliens who visited them gave them knowledge and left Who are these aliens This book will identify these ancient aliens and describe a coming day when these aliens will return to the earth The day of the aliens return to the earth will be integrated into the idea of the Rapture and the Return of Christ *Unlimited Returns* Emmanuel L. Amarteifio,2012-07-19 Success in life is what this book promises without fail Make a list of all the things you really desire to be or have as your possessions here on earth then read this book as many times as possible until you understand and can apply all the principles therein This book will hook you up with the owner of all the things you have listed in a harmonious way If you will then keep your mind stayed on Him from today for the rest of your life I can assure you that you will die a fulfilled and a very happy person Success in life is your destiny resolve to achieve it and this book will show you the way This book is a testament to the work of Bishop Dr Susuana Amarteifio in the life of the author Rev Emmanuel L Amarteifio one of many leaders Bishop Susuana has raised in a lifetime of work in the kingdom of God Bishop Dr Susuana Amarteifio has dedicated her whole life to God making a difference in the lives of many and raising leaders for the work of the ministry wherever she goes She has travelled around the world and strongly believes that true leaders in ministry do not delight in maintaining followers but raising leaders who will do greater works than they have done and the best way to do that is by giving everybody a chance to bring out the leader in them This book is a testament to that philosophy She is also the founder and leader of Jesus Christ of Nazareth International Church with branches in Ghana United Kingdom Holland and Germany and the author of *Destined for Excellence* *Triumphant Return* Grant R. Jeffrey,2010-05-12 Triumphant Return is an upbeat positive proclamation of the tremendous prophecies about the Second Coming and the awesome transformation of humanity that will unfold when Christ ushers in the Kingdom of God Key Features Include Christ s Triumphant Return your role in the coming Kingdom of God Why are the Rapture and the Second Coming under attack today How should we understand the Bible s prophecies Literal or symbolic Past or future The coming Millennial Kingdom of God the key to understanding prophecy Historical evidence disproves the false theory that Revelation s prophecies were fulfilled in A D 70 What did the Early Church believe about the Second Coming The early Christians taught Christ s return will be literal imminent and premillennial Fascinating new research about the remarkable prophecies pointing to the nearness of Christ s premillennial return Astonishing evidence the Muslim Koran acknowledges Israel s right to the Promised Land How should the promise of Christ s return transform your faith and daily walk with God *The Return of the Kingdom* Stephen G. Dempster,2024-03-19 In this ESBT volume Stephen Dempster traces the themes of kingship and kingdom throughout Scripture illuminating the challenges pain and ultimate hope that the Bible offers The story of God s kingship is ultimately

the fulfillment of a promise to defeat sin and death and to establish a world of peace and justice *The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper* Cedric Fisher, 2024-06-19 Complaints are replete on social media and everywhere people gather to sip coffee and opine about the world's ills. Something is wrong with American society. A few years ago people were saying I don't know how it can get worse. It is worse and going to get worse. The reality and angst of watching it disintegrate have pressed many people into apathy. They have latched onto the belief that God will not permit them to suffer the consequences of the world's wicked rebellion. Instead, Christ will snatch them off the earth and out of danger during a split second secret coming. There is an alternative to apathy and fantastical notions. It is the central focus of biblical eschatology: the superwhelming gloriously astounding megamiraculous return of the King of kings. **Return to Honor** John Isom, John (The U-Can! Man) Isom, Lorraine Thomas, 2009-06 John couldn't believe his eyes as he tried to shield himself from the bullet racing toward him. He told himself it had to be a dream, but it wasn't. It was just the beginning of the hardship and humiliation that his fellow soldiers would inflict upon him. When an unexpected personal attack in the Columbia Recruiting Battalion with duty in the Charleston South Carolina Army Recruiting Company Oct 1997 to Feb 2001 threatened John's military career, he had to draw upon a reservoir of undiscovered strength that his past experiences had instilled in him. John's story is the story of an American soldier who refuses to accept defeat, never give up, and will journey to hell and back in order to fight for the one thing his enemies are determined to destroy: his honor. **Genesis, Science, and the Beginning** Benjamin D. Smith, 2018-08-29 Christian apologist Ben Smith believes that the creation account in Genesis 1 can be read literally and historically as a real week of seven normal days without contradicting modern astronomy and geology regarding the age of the universe and Earth. Many Christians are divided over how to reconcile Genesis with modern science, and this book evaluates all of the major options, ultimately concluding that the Bible allows for an old universe and Earth in a way that is also scientifically accurate. A former Young Earth creationist, Smith now believes that the age of creation is not specified in the Bible, and therefore scientists are free to answer the question. He believes that Christians should not hide from the controversy over the age of the Earth but should take a fresh look at the text and be impressed with its accuracy.

ENMITY Remains Unresolved Until Christ Returns! Athanasius-John T. Nkomo, 2025-01-15 Jesus Christ's words are unmatched non-science fiction, non-Christian fiction. eBooks: Jesus Christ, true living word from heavens, full powers, Charges, Corrects, Teaches, Judges, Executes, Purges. Enmity: sinful nature of human kind on earth. Unmatched word of Christ connects the world to heavens. Unmatched words of Christ guarantee hope and trustworthiness. Unmatched Jesus Christ is coming back to judge the whole world once and for all. Unmatched Jesus Christ is King of kings and Lord of lords. Unmatched Christ: Jesus, all knees shall bow down and confess that Jesus Christ is Lord. Unmatched Christ: He is the World's Savior, Eternally Glorious Lord. There's no one else. No matter how the secular world overlooks the issue, Unmatched Jesus Christ is inevitable. He is

inescapable You ignore him at your wicked risk **The Rapture and Return of The Lord Jesus Christ** Joseph Morgan, 2021-12-15 Is Christ going to return to the earth physically Will the Rapture of the church occur The Bible answers these questions in the affirmative So when will these things take place After years of studying this I am convinced that not only will the Lord Jesus be coming to reign on this earth from Jerusalem but He will be doing so very shortly I believe that the Bible in fact tells us the exact date of His return Not only that it also tells us the exact date of the Rapture or at least the time in which it will occur Even more it tells us when the final seven year period will begin and when the Antichrist will reveal himself to the day I know that many might express incredulity at such claims and even shock at the utter audacity to proclaim something so preposterous and I do not blame you if you do feel this way I only ask that you read and consider for yourself The prophetic time line laid out in this book is absolute and can be overlaid onto the Gregorian calendar I encourage you to read and discover for yourself why I am so confident in my declarations and how those prophetic time stamps align on our modern calendar When done and when applied to what Scripture says and the history of the church age it tells us the physical return of Christ to the earth could very well take place on April 9 2033 Get ready to be shocked as the book of Revelation will be unfolded to you in a way you have probably never seen before [A People Ready for the Return of Jesus](#) Emilio B. Knechtle, Charles J. Sohlmann, 1997 [Return to Meaning](#) Andrew Cort, 2008-04-28 If God exists and God is all powerful and good why did God create an imperfect world Does religion have a credible answer Morality as secularists know does not require a deity Blind faith as atheists know often leads to hatred and war Taking scriptural stories as literal history as scientists know borders on the nonsensical There has to be more And there is In their most important sense these are symbolic psychological stories Everything that happens the wars the joys the obstacles that are overcome must occur in one's own soul In other words all the great myths and scriptures are how to manuals for Initiation In this groundbreaking work Andrew Cort describes the inner journey of Creation and Return that is revealed by the Greek Myths the Torah the Gospels and the Qur'an He demonstrates the stunning unity of our western religious traditions whose common aim is to enlighten the soul and restore a sense of meaning to our lives and culture *Return: The Post Captivity Writings* Betty Tracy, 2014-02-04 Return to God Return to Jerusalem Don't return to your sins Retuning is the theme of the books of the Bible written after the Babylonian captivity Find out about the exciting books Ezra Haggai Zachariah Ester Nehemiah and Malachi and what they can mean for us today [Palestine, the Right of Return](#) Paul M. Bergstrom, 2010-07-01 Palestine The Right of Return is a must read novel that addresses several critical issues facing world leaders who seek a solution to the almost century long Arab Israeli conflict The Balfour Declaration issued in 1917 set the conflict in motion Mr Bergstrom's story albeit fiction should be required reading for anyone hoping to understand the current stalemate Mr Bergstrom defines a path to lasting peace via a single state solution Further he highlights the problems created by America's well meaning but one sided intervention on the side of Israel in the peace negotiations Mr Bergstrom argues that Palestine's future will not be found in

an agreement that divides Palestine into two equally or unequally aggrieved states further asserting that peace can only come from the efforts of the primary stakeholders those who will benefit or suffer most immediately through any resolution The United States Hamas Hezbollah Iran Lebanon and other interested parties must stand aside Mr Bergstrom concludes that the people of Palestine itself own the problem and they must join together if a workable solution is to be created **The Return of the Angels** George Herbert Morrison,1909 *Holiness: Jesus' Imminent Return* Star Scott,2012-04-16 The Book of Mysteries Jonathan Cahn,2016 A traveler goes on a year long journey with a man known only as The teacher and absorbs a new teaching on spiritual truths for every day of the year **The Good News of the Return of the King** Michael T. Jahosky,2020-09-15 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant The Good News of the Return of the King The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s The Lord of the Rings as well as The Hobbit and The Silmarillion In this book I propose that J R R Tolkien s The Lord of the Rings is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables The Lord of the Rings can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many
