Pamela Wick, 2025-04-08 In the charged political landscape of Reagan era Washington a young woman finds herself grappling with her father s high profile scandal and her own impending divorce forcing her to confront her privileged childhood and navigate the notoriety of a personal friendship with the first family I think about my glamorous wedding again I imagine myself choking on a cheese ball in my lace wedding gown guests rushing over arguing about who does the best Heimlich maneuver my face bright red from lack of oxygen Then as if that weren t bad enough I pass out on the dance floor of the tented tennis court where our lavish reception was held My father in his tux at the mic in front of the Les Brown Orchestra telling everyone the marriage won t last and he might go to prison The shattered fairy tale is on a loop inside my head How did my life reverse itself so drastically For Pamela Wick President and Mrs Reagan were simply Ronnie and Nancy her parents best friends What began with Pamela s mom and Nancy organizing the chili booth at their kids school fair in Los Angeles soon propelled Pamela s parents into pivotal roles that would help Reagan secure the California governorship and eventually the grand prize the White House Determined to win her parents approval as the perfect daughter Pamela marries

the son of Republican royalty and joins them in DC to begin her fairytale in the nation's Capitol or so she thought What follows is her firsthand look behind the scenes at the gilded age of the Reagan years in Washington DC an era now long gone Sometimes hilarious sometimes heartbreaking but always insightful the narrative chronicles her journey to penetrate Washington society at the highest levels from Christmas Eve at her family home with President Reagan dressed as Santa Claus to intimate dinners at the White House But behind the golden gates Pam's marriage is unraveling and her father's high profile political scandal threatens to destroy their carefully constructed life Soon she's trading in glitzy state dinners for congressional hearings attacking her father and at the center of the Reagan revolution Pam's own personal uprising begins

Choosing the Opposite Tammy Melchion, 2025-10-07 Is it possible to live a life of integrity and peace in these divisive times Are you fed up with the polarization division and tension everywhere you turn in your country your community your church and even in your own relationships Many of us wrestle with navigating disagreements difficult personalities and tense family dynamics with love and humility We wonder if we have what it takes to be a peacemaker *Choosing the Opposite* invites you to explore a radically different approach to life and faith as modeled in Jesus' Sermon on the Mount Examine how your choices may be fueling the chaos and learn how embracing Jesus' countercultural teachings can lead to the restoration of relationships peace of mind and a powerful Christian witness in a fractured world Tammy Melchion a pastor with almost thirty years of ministry experience helps you understand how the Kingdom of God impacts your everyday life as you Learn to cultivate radical humility respect and grace for all people especially those who may challenge your values Discover how to listen to Jesus' teachings on forgiveness generosity and love and apply them in practical meaningful ways Explore Jesus' wisdom for handling relational conflict and navigating divisive conversations with compassion and understanding See how the Sermon on the Mount guides believers in today's culture giving a blueprint for meaningful change Confront today's culture wars and controversies head on as you embrace true discipleship Make the hard but rewarding choice to live as Jesus did bringing hope love and reconciliation wherever you go
