The Devils Disciples The Makers Of The Salem Witchcraft Trials

John B. Nann, Morris L. Cohen

The Devils Disciples The Makers Of The Salem Witchcraft Trials:

The Devil's Disciples Peter Charles Hoffer, 1996 Approaching the subject as a legal and social historian Peter Charles Hoffer offers a fresh look at the Salem outbreak based on recent studies of panic rumors teen hysteria child abuse and intrafamily relations He brings to life a set of conversations in taverns and courtrooms at home and work which took place among suspected witches accusers witnesses and spectators The accusations denials and confessions of this legal story eventually resurrect the tangled internal tensions that lay at the bottom of the Salem witch hunts *The Story of the Salem Witch Trials* Bryan F. Le Beau, 2016-05-23 Between June 10 and September 22 1692 nineteen people were hanged for practicing witchcraft in Salem Massachusetts One person was pressed to death and over 150 others were jailed where still others died *The Story of the Salem Witch Trials* is a history of that event It provides a much needed synthesis of the most recent scholarship on the subject places the trials into the context of the Great European Witch Hunt and relates the events of 1692 to witch hunting throughout seventeenth century New England This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials From beginning to end the reader is carried along by the author's powerful narration and mastery of the subject While covering the subject in impressive detail Bryan Le Beau maintains a broad perspective on events and wherever possible lets the historical characters speak for themselves Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American history *The Salem Witchcraft Trials* Peter Charles Hoffer, 1997 Historian Peter Charles Hoffer reexamines a notorious episode in American history and presents many of its legal details in true perspective for the first time Hoffer also shows how rights we take for granted today did not exist in colonial times and he demonstrates how these cases relate to current instances of children accusing adults of abuse [The Story of the Salem Witch Trials](#) Bryan Le Beau, 2023-04-24 Providing an accessible and comprehensive overview *The Story of the Salem Witch Trials* explores the events between June 10 and September 22 1692 when nineteen people were hanged one was pressed to death and over 150 were jailed for practicing witchcraft in Salem Massachusetts This book explores the history of that event and provides a synthesis of the most recent scholarship on the subject It places the trials into the context of the Great European Witch Hunt and relates the events of 1692 to witch hunting throughout seventeenth century New England Now in a third edition this book has been updated to include an expanded section on the European origins of witch hunts an updated and expanded epilogue which discusses the witch hunts real and imagined historical and cultural since 1692 and an extensive bibliography This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials From beginning to end the reader is carried along by the author's powerful narration and mastery of the subject While covering the subject in impressive detail Bryan Le Beau maintains a broad perspective on the events and wherever possible lets the historical

characters speak for themselves Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American history This third edition of *The Story of the Salem Witch Trials* is essential for students and scholars alike who are interested in women's and gender history colonial American history and early modern history *The Salem Witch Trials* Charles River Editors, 2025-06-29 More than once it has been said too that the Salem witchcraft was the rock on which the theocracy shattered George Lincoln Burr A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known The sleepy town of Salem Massachusetts was like every other small village that dotted the countryside until 1692 when religious authorities held a series of hearings accusing dozens of people of witchcraft across a handful of towns outside of Boston including Ipswich and Andover However since the most notorious trials were held in Salem they have been known ever since as the Salem Witch Trials Today the Salem Witch Trials are often remembered as being a relic of a superstitious past and Salem has transformed itself into a tourist haven and Halloween destination by capitalizing off the Salem Witch trials But it was deadly serious in 1692 when 19 men and women found themselves taken to Gallows Hill and hanged for being witches Another man who was over 80 years old was pressed to death for refusing to be tried for witchcraft And from February 1692 May 1693 hundreds of others were accused of witchcraft and dozens of them were imprisoned for months until the mass hysteria finally died down The Salem Witch Trials are still taught to American schoolchildren but much of the context is removed from the narrative and important questions are often never posed How did the Salem Witch Trials go on for over a year Why did it happen in Salem Why were the condemned people accused of witchcraft American Legends The Salem Witch Trials chronicles the history that led up to the infamous trials and the legends and myths surrounding them Along with pictures of important people places and events you will learn about the Salem Witch Trials like you never have before in no time at all **New Perspectives on Witchcraft, Magic, and Demonology: Witchcraft in the British Isles and New England** Brian P. Levack, 2001 [Who Were the Accused Witches of Salem?](#) Laura Hamilton Waxman, 2012-01-01 Answers frequently asked questions about the Salem Witch Trials which left a mark on the United States justice system **The Witch-Hunt in Early Modern Europe** Brian P. Levack, 2013-11-05 Between 1450 and 1750 thousands of people most of them women were accused prosecuted and executed for the crime of witchcraft The witch hunt was not a single event it comprised thousands of individual prosecutions each shaped by the religious and social dimensions of the particular area as well as political and legal factors Brian Levack sorts through the proliferation of theories to provide a coherent introduction to the subject as well as contributing to the scholarly debate The book Examines why witchcraft prosecutions took place how many trials and victims there were and why witch hunting eventually came to an end

Explores the beliefs of both educated and illiterate people regarding witchcraft Uses regional and local studies to give a more detailed analysis of the chronological and geographical distribution of witch trials Emphasises the legal context of witchcraft prosecutions Illuminates the social economic and political history of early modern Europe and in particular the position of women within it In this fully updated third edition of his exceptional study Levack incorporates the vast amount of literature that has emerged since the last edition He substantially extends his consideration of the decline of the witch hunt and goes further in his exploration of witch hunting after the trials especially in contemporary Africa New illustrations vividly depict beliefs about witchcraft in early modern Europe

The Yale Law School Guide to Research in American Legal History John B. Nann, Morris L. Cohen, 2018-01-01 The first guide to legal research intended for the many nonspecialists who need to enter this arcane and often tricky area

Purchasing Identity in the Atlantic World Phyllis Whitman Hunter, 2018-10-18 Americans have always had a love hate relationship with possessions Early Americans suspected luxuries as a corrupting force that would lead to an aristocracy In *Purchasing Identity in the Atlantic World* Phyllis Whitman Hunter demonstrates how elite Americans not only became infatuated with their belongings but also avidly pursued consumption to shape their world and proclaim their success In eighteenth century New England harbor towns the commercial gentry led their communities into full participation in a flourishing Anglo American consumer culture Affluent traders constructed roads wharves and warehouses built mansions and assembly buildings adopted new forms of sociability and fostered the rise of the public sphere Using case studies of influential merchant families Hunter brings alive the process by which Boston and Salem evolved from Puritan towns dominated by families of English origin to Georgian provincial cities open to a diversity of religious affiliations and European ethnicities Hunter then explores how revolutionary politics overturned polite society and transformed the meanings of possessions Patriots threw tea to the fish in Boston Harbor donned homespun at Harvard commencements and transformed a silver punch bowl into an icon of liberty The wealthy either espoused republican values and muted their material displays or fled to exile *Purchasing Identity in the Atlantic World* reveals a critical link in the complex relationship between capitalism and culture the process by which material goods become symbols of profound social and cultural significance

Access to History: The Witchcraze of the 16th and 17th Centuries Second Edition Alan Farmer, 2020-05-04 Exam board Pearson Edexcel OCR Level AS A level Subject History First teaching September 2015 First exams Summer 2016 AS Summer 2017 A level Put your trust in the textbook series that has given thousands of A level History students deeper knowledge and better grades for over 30 years Updated to meet the demands of today s A level specifications this new generation of Access to History titles includes accurate exam guidance based on examiners reports free online activity worksheets and contextual information that underpins students understanding of the period Develop strong historical knowledge in depth analysis of each topic is both authoritative and accessible Build historical skills and understanding downloadable activity worksheets can be used independently by students or edited by teachers for classwork

History David Nash,2015-11-05 Why study history What s the point Through compelling historical narratives such as the assassination of President Kennedy Dr David Nash introduces us to the central elements of the subject Readers learn how history seeks to explain categorise and make sense of events of the past It is a search for truth which involves searching for sources and then scrutinising them to try and determine how reliable they are Nash explores how new interpretations can change our understanding of what was previously an established version of history and what lasting contribution the study of history can make to society and indeed civilisation Ideal for those with an emerging interest in history the book is designed to provide readers with a toolkit for further investigation of the subject

The Anthropology of Religion, Magic, and Witchcraft -- Pearson eText Rebecca L Stein,Philip Stein,2015-08-07 This book emphasizes the major concepts of both anthropology and the anthropology of religion and examines religious expression from a cross cultural perspective while incorporating key theoretical concepts It is aimed at students encountering anthropology for the first time

Saints and Strangers Joseph A. Conforti,2006-01-09 Conforti s book will give you better understanding of Colonial New England and the lives of your ancestors who settled there Family Tree Magazine Named a Choice Outstanding Academic Title In the first general history of colonial New England to be published in over twenty five years Joseph A Conforti synthesizes current and classic scholarship to explore how Puritan saints and strangers to Puritanism participated in the making of colonial New England Massachusetts Governor John Winthrop s famous description of New England as a city upon a hill has tended to reduce the region s history to an exclusively Pilgrim Puritan drama a world of narrow minded founders the First Thanksgiving steepled churches and the Salem witchcraft trials In a concise volume aimed at general readers and college students as well as historians Conforti shows that New England was neither as Puritan nor as insular as most familiar stories imply As the region evolved into British America s preeminent maritime region the Atlantic Ocean served as a highway of commercial and cultural encounter connecting white English settlers to different races and religious communities of the transatlantic world The Puritan elect but also Natives African slaves and non Puritan white settlers became active participants in the creation of colonial New England Conforti discusses how these subcommunities of white red and black strangers to Protestant piety retained their own cultures coexisted and even thrived within and beyond the domains of Puritan settlement creating tensions and pressure points in the later development of early America The most innovative characteristic of Saints and Strangers is surely its integration of so many different people into a chronological narrative International Journal of Maritime History

Sympathetic Puritans Abram Van Engen, 2015-02-02 Revising dominant accounts of Puritanism and challenging the literary history of sentimentalism *Sympathetic Puritans* argues that a Calvinist theology of sympathy shaped the politics religion rhetoric and literature of early New England Scholars have often understood and presented sentimentalism as a direct challenge to stern and stoic Puritan forebears the standard history traces a cult of sensibility back to moral sense philosophy and the Scottish Enlightenment not Puritan New England Abram C Van Engen has unearthed pervasive evidence of sympathy in a large archive of Puritan sermons treatises tracts poems journals histories and captivity narratives He demonstrates how two types of sympathy the active command to fellow feel a duty as well as the passive sign that could indicate salvation a discovery permeated Puritan society and came to define the very boundaries of English culture affecting conceptions of community relations with Native Americans and the development of American literature Van Engen re examines the Antinomian Controversy conversion narratives transatlantic relations Puritan missions Mary Rowlandson s captivity narrative and Puritan culture more generally through the lens of sympathy Demonstrating and explicating a Calvinist theology of sympathy in seventeenth century New England the book reveals the religious history of a concept that has previously been associated with more secular roots *Sensory Worlds in Early America* Peter Charles Hoffer, 2005-12-12 Over the past half century historians have greatly enriched our understanding of America s past broadening their fields of inquiry from such traditional topics as politics and war to include the agency of class race ethnicity and gender and to focus on the lives of ordinary men and women We now know that homes and workplaces form a part of our history as important as battlefields and the corridors of power Only recently however have historians begun to examine the fundamentals of lived experience and how people perceive the world through the five senses In this ambitious work Peter Charles Hoffer presents a sensory history of early North America offering a bold new understanding of the role that sight sound smell taste and touch played in shaping the lives of Europeans Indians and Africans in the New World Reconstructing the most ephemeral aspects of America s colonial past the choking stench of black powder the cacophony of unfamiliar languages the taste of fresh water and new foods the first sight of strange peoples and foreign landscapes the rough texture of homespun the clumsy weight of a hoe Hoffer explores the impact of sensuous experiences on human thought and action He traces the effect sensation and perception had on the cause and course of events conventionally attributed to deeper cultural and material circumstances Hoffer revisits select key events encounters and writings from America s colonial past to uncover the sensory elements in each and decipher the ways in which sensual data were mediated by prevailing and often conflicting cultural norms Among the episodes he reexamines are the first meetings of Europeans and Native Americans belief in and encounters with the supernatural the experience of slavery and slave revolts the physical and emotional fervor of the Great Awakening and the feelings that prompted the Revolution Imaginatively conceived deeply informed and elegantly written *Sensory Worlds of Early America* convincingly establishes sensory experience as a legitimate object of

historical inquiry and vividly brings America's colonial era to life Richard Godbeer author of *Sexual Revolution in Early America*

Superstition and Magic in Early Modern Europe: A Reader Helen L. Parish, 2014-11-20 *Superstition and Magic in Early Modern Europe* brings together a rich selection of essays which represent the most important historical research on religion magic and superstition in early modern Europe Each essay makes a significant contribution to the history of magic and religion in its own right while together they demonstrate how debates over the topic have evolved over time providing invaluable intellectual historical and socio political context for readers approaching the subject for the first time The essays are organised around five key themes and areas of controversy Part One tackles superstition Part Two the tension between miracles and magic Part Three ghosts and apparitions Part Four witchcraft and witch trials and Part Five the gradual disintegration of the magical universe in the face of scientific religious and practical opposition Each part is prefaced by an introduction that provides an outline of the historiography and engages with recent scholarship and debate setting the context for the essays that follow and providing a foundation for further study This collection is an invaluable toolkit for students of early modern Europe providing both a focused overview and a springboard for broader thinking about the underlying continuities and discontinuities that make the study of magic and superstition a perennially fascinating topic

Reformation and Early Modern Europe David M. Whitford, 2007-11-01 Continuing the tradition of historiographic studies this volume provides an update on research in Reformation and early modern Europe Written by expert scholars in the field these eighteen essays explore the fundamental points of Reformation and early modern history in religious studies European regional studies and social and cultural studies Authors review the present state of research in the field new trends key issues scholars are working with and fundamental works in their subject area including the wide range of electronic resources now available to researchers *Reformation and Early Modern Europe: A Guide to Research* is a valuable resource for students and scholars of early modern Europe

The Anthropology of Religion, Magic, and Witchcraft Rebecca L. Stein, Philip L. Stein, 2017-05-08 This concise and accessible textbook introduces students to the anthropological study of religion Stein and Stein examine religious expression from a cross cultural perspective and expose students to the varying complexity of world religions The chapters incorporate key theoretical concepts and a rich range of ethnographic material The fourth edition of *The Anthropology of Religion Magic and Witchcraft* offers increased coverage of new religious movements fundamentalism and religion and conflict violence fresh case study material with examples drawn from around the globe further resources via a comprehensive companion website This is an essential guide for students encountering anthropology of religion for the first time

Spellbound Elizabeth Reis, 1998-06-01 *Spellbound Women and Witchcraft in America* is a collection of twelve articles that explore crucial events in the history of witch hunting and its demonization of women in American and American women's own use of witchcraft as a source of identity and strength as well as the complicated relationship between the two Beginning with the accused witches of colonial America *Spellbound* extends its

focus through the nineteenth century to explore women s involvement with alternative spiritualities and culminates with examinations of the contemporary feminist neopagan and Goddess movements
