4th century AD Christianity had become the official religion of the Roman Empire and the celebration of Christ's birth began to gain momentum. However, the date of December 25th wasn't chosen arbitrarily. It coincided with the Roman festival of Dies Natalis Solis Invicti, the birthday of the Unconquered Sun, a potent symbol of hope and new beginnings in the darkest days of winter. By adopting this date, early Christians could subtly blend their beliefs with existing pagan traditions, making the transition more natural for non-believers.

Daily Devotional Glen A. Huff, 2010-08-27 Daily Devotional is a worship aid designed to help the reader focus on scripture and its application each day. The book originated with weekly inspirational e-mail messages sent to a small group of readers who forwarded the messages to others. Over a period of more than 7 years, the messages made their way into a variety of places, including the Pentagon, prisons, military encampments in Iraq, used car lots, and beauty salons, to name a few. Those messages have been compiled into the Daily Devotional.

Teach Us to Number Our Days Barbara Dee Bennett, 1999-09-01 This practical handbook for homes and church communities helps to enrich the Christian celebration of Advent through the creation and use of an Advent calendar. Written for people of all skill levels, Baumgarten provides instructions for a calendar made of paper or junk mail, a no-sew felt version, and a fabric version for more advanced sewers. Teach Us to Number Our Days, however, is more than a simple crafts book. Baumgarten provides readers with a brief history of the development of Advent in the Christian calendar, as well as detailed explanations of the various Christian symbols that can be used during the season. Paying attention to both the Old and New Testament symbols, as well as the Sundays of Advent and the Great O Antiphons from December 17-23, this book is a complete guide to Advent for individuals, families, and churches.
