The Chronicles Of Samantha Facing The Storm:

The Mystique Chronicles Tina Taylor,2014-12-03 From beyond the boundaries of infinity and the vastness of immortal consciousness a prophecy had been conceived within the majestic expanse of the unbound universe As a result the Mystique have sprung from the womb of Mother Earth like the phoenix rising up from the still burning embers of The Desert of Reality Upon the death of his beloved Cortessa Demonno was literally drove beyond the brink of insanity and throughout the ageless millenniums he had taken it upon himself to single handedly wipe his own species off the face of the planet Violet nearly the last living Mystique in existence has finally come upon the end of her inevitable journey Despite the destruction of her species bitter betrayals and malignant diversities Violet has still managed to fulfill a prophecy that is perhaps as ancient as the universe herself Violet must ultimately pass Samantha Jean Doven the mothering host of a new breed of Mystique the proverbial scepter to continue the self sacrificing journey that she cannot continue However in the aftermath of Demonno's reign of terror he continues his contaminated trail of destruction and will stop at absolutely nothing to finish what he has started and destroy all Mystiques along with anything or anyone who is unfortunate enough to cross his path Samantha must stop this insane beast of hatred and rage and save humankind not only from themselves but Demonno as well Samantha must find the strength within to carry the Mystique and humankind alike into a new age and a new millennium because a new time and existence is about to begin What is life Life is the decisions we choose to make woven among our destiny and in the end all is as it should be

The Dragon's War Samantha Sabian,2015-12-20 Skye is reunited with her friends and lovers in the Ha kan but the shadow of the sorceress looms over her Even as her magical power increases she knows she is no match for the woman who seeks vengeance for her great grandfather's infidelity But Skye is no longer a child and her years with the highly sexual Ha kan have taught her a few things as she considers an entirely new way of dealing with her nemesis Raine prepares for departure to Mount Alfheim intending to accompany the Ha kan Queen and her entourage The powerful warrior has orchestrated events to perfection the people of Arianthem are united as never before But as she and her dragon lover start

their journey Raine can't help but feel that the hand of fate is tightening its grasp around her As clouds gather over the Empty Land a prophecy is heavy on her mind As the Second Great War threatens it is uncertain if the Alliance will hold The Goddess of the Underworld stirs having waited centuries for this moment Her goal and her focus are one solely on the object of her lust Hel will take what she is due and the Dragon's Lover will bow before her by choice or by force And the latter is just as pleasing to her as long as the Arlanian is on her knees Blood on the Moon Samantha M. De Silva, 2010 **The Steamship Chronicles Box Set 1** Margaret McGaffey Fisk, 2015-12-20 Superstitious sailors demanding machinery and a delicate balance between the truth and what is right make this an entertaining thought provoking alternate history Victorian steampunk adventure for ages 14 and up The box set contains Secrets Threats and Gifts books 1-3 of The Steamship Chronicles Samantha Crill can read the dreams of mechanical devices and tap into aether to make those dreams come true She seeks a place where her talent is not feared but her abilities tear apart the careful plans to bring her to safety Instead she hides aboard an old sailing ship converted to steam Nathaniel Bowden a young noble turned cabin boy wants to captain his own steamship someday He tries to prove himself to the rest of the crew but his best efforts go awry especially once he has a secret to keep that's not his own Together they offer a grand Victorian steampunk adventure that begins in England and carries them across the dangerous Atlantic Ocean into southern waters *The Demon in the Bones* Malcolm Foster, 2013-09-09 Aliens are on earth buried in the southwest of England for many hundreds of years waiting for mankind to reach a sufficiently advanced level of technology then when conditions suit they will emerge In 1991 two girls Harriet and Emily on a school trip to the cathedral discover the activity of the aliens However they are warned of the dangers by the ghost of the first bishop The girls using the Internet uncover several accounts in the cathedral archives where bones have come alive Matters become serious when several aliens take over a policeman and army major sent to control the situation Excavations take place as the aliens search for the craft in which they arrived to enable them to conquer the whole planet Together with information from the diary of an eighteenth century milliner Mrs Pendlebury the two girls direct humanity's fight back *Ghost Hope* Ripley Patton, 2016-06-15 Olivia Black does not feel safe Nightmares plague her sleep and haunt her days If she has to endure one more minute stuck in a safe house in rainy Portland she's going to lose it When Mike Palmer sneaks off to find her sister Kaylee without her it's the last straw She has to do something Then Palmer's hackers find the Dome on a satellite feed dark abandoned and smack in the middle of the Oregon desert three hundred miles from where it started If they can reach it before anyone else they can crack the computer systems and access every piece of information on PSS the CAMFers and The Hold have ever collected But in order to do that Olivia must return to the origin of her fears in a race against all the forces that have ever pitted themselves against her She must unravel decades of deceit to reveal the true origins of Psyche Sans Soma to the world at last *Threats* Margaret McGaffey Fisk, 2014-12-15 The Steamship Chronicles continues with Nathaniel Bowden and Samantha Crill crossing the storm tossed Atlantic while Sam fights to keep

her talents in check Is Luck a Miracle or a Curse Luck alone has kept Sam undiscovered so far She dreads the moment the crew learns their miracle and curse have a human face but it s Nat s reaction she fears the most When her Natural talents are revealed all the ways she s used her far from human abilities to keep the engine running may count for nothing Obsessed with the steamship s engine Nat s new position as the engineer s apprentice is a dream come true even when a fierce storm tests the limits of his new skills He basks in the praise of the engineer and crew once they re safe again but their cheers soon turn to curses when Nat realizes the nearest island on the charts is nothing but a sandbar With food and water running low how is he going to keep Sam fed **Shadow of Deception** Sophia L. Johnson,2015-04-09 2153 Toronto United Nation of North America UNNA A horrific plane crash kills all five hundred and forty two passengers except one Kazumi emerges from the wreckage physically unscathed but has lost all her memories Her miraculous survival has the whole city buzzing but all she wants is to go home wherever home is After waiting a month in the hospital with no one to claim her Kazumi is deemed homeless She is about to be sent to a nearby teenage shelter when the nurse she grew to trust ushers her down a mysterious path one that promises safety and maybe even the chance to recover her memories With no better options available Kazumi takes her chance and finds herself in the headquarters of the Sarcomeres a secret society of genetically advanced humans hidden deep inside the Rocky Mountains The Sarc s heightened physical abilities and high tech gadgets are not the only things that fascinate Kazumi Finnegan O Riley a fellow Sarc she meets along the way also gets her heart racing When Kazumi discovers that she possesses the genetic potential of a Sarcomere she jumps at the chance to train with them not knowing the death defying tests that are involved Meanwhile a centuries old nemesis of the Sarcomeres begins to stir in the dark setting their dark plans in motion Just when Kazumi thinks she can help protect her new found home past memories surface to threaten her new identity She soon realizes that layers of deception run deep and everyone has a secret agenda including herself Who can she trust when she can t even trust herself One wrong decision could bring forth consequences worse than death The Shadow Games Samantha Sabian,2015-07-16 The dragons have returned to Arianthem and four of the Ancients go to war Talan is joined by Kylan her seductive ally from the Great War while Volva her enemy uses her carnal ways to stand against the Queen of all Dragons Both of Talan s children must stand with her and Talan gambles that her trust in them is not misplaced Meanwhile both the Ha kan and Tavinter seek Skye the young ruler who was kidnapped by a sorceress Haunted by thoughts of her violation and captivity they will not stop until they find her even if it means searching every league of the Deep Woods Unfortunately Raine the one most suited to find Skye cannot even look because it most certainly is a trap for the Scinterian warrior Instead she must deal with the Shadow Guild the upper echelon of all Assassins in Arianthem These vampyres are contracted to kill a head of state and Raine must stop the assassination before it destroys the nascent Alliance But this forces her to deal with the impulsively sexual creatures whose manipulations and machinations put even the Goddess of the Underworld to shame **PUNY HUMANS** Bob Moore,2018-03-07 CHESTER S BIGGEST
