100 Fathoms Below Steven L. Kent, Nicholas Kaufmann, 2018-10-09. 100 fathoms below: The depth at which sunlight no longer penetrates the ocean. 1983. The US nuclear submarine USS Roanoke embarks on a classified spy mission into Soviet waters. Their goal: to find evidence of a new, faster and deadlier Soviet submarine that could tip the balance of the Cold War. But the Roanoke crew isn't alone. Something is on board with them. Something cunning and malevolent. Trapped in enemy territory and hunted by Soviet submarines, tensions escalate and crew members turn on each other. When the lights go out and horror fills the corridors, it will take everything the crew has to survive the menace coming from outside and inside the submarine. In the dark. Combining Tom Clancy's eye for international intrigue with Stephen King's sense of the macabre, *100 Fathoms Below* takes readers into depths from which there is no escape.

X-Force Vol. 2 Ed Brissin, 2019-09-04. Collects *X-Force* 2018 6 10. The time stream is in danger again. A younger version of Cable came back from the future to save his timeline, but he wasn't the only one to make the journey. Now Cable's clone, Stryfe, and his Mutant Liberation Army will do anything to protect their future and destroy the Clan Askani. Who will *X-Force* stand with? Will they end up trapped in the future? With the timeline in flux, what kind of future is it? The clock is ticking as Rachel Summers makes her return. But with Rachel under Stryfe's control, he and the Mutant Liberation Army now have the power to secure their future at the cost of everyone else's. Will Cable and *X-Force* be able to stop him, or will time be forever altered?

The Supervillain Book Gina Misiroglu, 2006-07-01 Everything you ever wanted to know about the bad guys in comics film and television A must read for anyone who was ever enthralled with mythic wickedness The Supervillain Book The Evil Side of Comics and Hollywood exhaustively explores the extraordinary lives and careers of hundreds of overachieving evildoers Drawing from sources in comic books film live action and animated television newspaper strips toys and manga and anime it is the definitive guide to nefarious masterminds mad scientists and destructive dominators who have battled super and other fictional heroes The Supervillain Book investigates each character's origin modus operandi costumes weapons and gadgetry secret hideouts chief henchmen and minions while serving up a supersized trove of fascinating trivia It also takes you behind the scenes describing the creation and development of these marvelously malicious menacing and malevolent characters With 350 entries on pop culture's most malicious evildoers this comprehensive resource also includes 125 illustrations a helpful resource section and an extensive index adding to its usefulness What would a good guy be without the bad guy Boring You won't be bored with this indispensable guide to the wicked world of supervillains Diseased Cinema Robert Alpert, Merle Eisenberg, Lee Mordechai, 2023-09-29 Discusses how the depiction of diseases in movies has changed over the last century and what these changes reveal about American culture Examines disease movies as a genre that has emerged over the last century and includes pandemic and zombie films Reveals the changes to the genre's narratives over three broad time periods the beginning of film through the 1980s the 1990s through the mid 2000s and the late 2000s and afterward Investigates the evolution of disease movies through three perspectives historically notable films remakes and franchises Analyses disease movies in the context of the development of American global capitalism and the fragmentation of the social contract Explains the role of disease movie narratives in the American experience of Covid American movies about infectious diseases have reflected and driven dominant cultural narratives during the past century These movies both real pandemics and imagined zombie outbreaks have become wildly popular since the beginning of the 21st century They have shifted from featuring a contained outbreak to an imagined containment of a known disease to a globalized uncontrollable pandemic of an unknown origin Movie narratives have changed from identifying and solving social problems to a despair and acceptance of America's failure to fulfil its historic social contract Movies reflect and drive developments in American capitalism that increasingly advocates for individuals and their families rather than communities and the public good Disease movies today minimize human differences and envisage a utopian new world order to advance the needs of contemporary American capitalism These movie narratives shaped reactions to the outbreak of Covid and reinforced individual responsibility as the solution to end the pandemic How Star Wars Conquered the Universe Chris Taylor, 2015-10-06 In 1973 a young filmmaker named George Lucas scribbled some notes for a far fetched space fantasy epic Some forty years and 37 billion later Star Wars related products outnumber human beings a growing stormtrooper army spans the globe and

Jediism has become a religion in its own right Lucas's creation has grown into far more than a cinematic classic it is quite simply one of the most lucrative influential and interactive franchises of all time Yet incredibly until now the complete history of Star Wars its influences and impact the controversies it has spawned its financial growth and long term prospects has never been told In *How Star Wars Conquered the Universe* veteran journalist Chris Taylor traces the series from the difficult birth of the original film through its sequels the franchise's death and rebirth the prequels and the preparations for a new trilogy Providing portraits of the friends writers artists producers and marketers who labored behind the scenes to turn Lucas's idea into a legend Taylor also jousts with modern day Jedi tinkers with droid builders and gets inside Boba Fett's helmet all to find out how Star Wars has attracted and inspired so many fans for so long Since the first film's release in 1977 Taylor shows Star Wars has conquered our culture with a sense of lightness and exuberance while remaining serious enough to influence politics in far flung countries and spread a spirituality that appeals to religious groups and atheists alike Controversial digital upgrades and poorly received prequels have actually made the franchise stronger than ever Now with a savvy new set of bosses holding the reins and Episode VII on the horizon it looks like Star Wars is just getting started An energetic fast moving account of this creative and commercial phenomenon *How Star Wars Conquered the Universe* explains how a young filmmaker's fragile dream beat out a surprising number of rivals to gain a diehard multigenerational fan base and why it will be galvanizing our imaginations and minting money for generations to come

Deadpool and Philosophy

Nicolas Michaud, Jacob Thomas May, 2017-04-06 Deadpool is the super anti hero who knows he's in a comic book His unique situation and blood stained history give rise to many philosophical puzzles A group of philosophical Deadpool fans delve into these puzzles in *Deadpool and Philosophy* For instance if you know that someone is writing the script of your life can you really be a hero Is Deadpool really Wade Wilson or did Wilson have his identity stolen by the monster who is now Deadpool Are his actions predetermined by the writers or does he trick the writers into scripting his choices And what happens when Deadpool breaks into the real world to kill the writers What kind of existence do literary characters have How can we call him a moral agent for good when he still commits murder left and right and then left again and then right Since Deadpool gets paid for his good deeds can they be truly heroic And which of the many Deadpool personalities are the real Deadpool And of course why does Deadpool love to annoy Wolverine so much Deadpool challenges us to think outside the box *Deadpool and Philosophy* shows us the profound implications of this most contradictory and perplexing comic book character
