

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space programs and rockets?	That U.S. support them economically (training, fuel, etc.)	Not really.
2. Would anyone benefit from the rockets and satellites they could build?	They would certainly produce satellites that were better. They could improve delivery of aid.	They might develop better in case of emergencies, but they didn't know anyone would, planned program was limited to limited (Soviet) needs.
3. Would anyone challenge either side?	Not really.	Others might be tempted to join, but independence was important.
4. Would the two nations gain more control over the oceans?	Yes, the governments could be stronger. There'd be no common enemy.	Yes, American power was important and would not lose its position in the world.

2. Suppose the agreement simply set up the program, without

these other agreements made earlier.

3. Why did the two nations agree to this?

4. What would the governments be trying to gain with

this special relationship? How did you think it would
