But her stories end with the beginning of the Holocaust and Willow knows little of her mother's life during the war and its immediate aftermath. Jana's memories of this time are so guarded that Willow is uncertain who her father is, the answer left behind in Montreal, the city where Jana first settled after the war. When both Willow and Jana find themselves back in Montreal, the past can no longer be hidden. New loves are found and lost loves rekindled and mother and daughter decide to journey to Prague to unearth the stories that can no longer stay buried.
