The Complete Guide To Indoor Rowing:

The Complete Guide to Indoor Rowing Jim Flood, Charles Simpson, 2012-05-10 Indoor rowing machines or ergometers were once used only by outdoor rowers during their winter training. Over the last twenty years, however, the benefits of indoor rowing have attracted more and more users and now every gym comes with one as standard. It's also a sport in its own right with competitions ranging from school leagues to the European and World Championships. *The Complete Guide to Indoor Rowing* is the first comprehensive book to focus on this unique form of strength endurance training. Clearly illustrated in full colour and packed with information, training plans, tips and techniques, it is suitable for serious athletes, outdoor rowers and regular gym users alike and is a must for health professionals and coaches. Whether you are attracted by the weight loss benefits of the rowing machine or using it to coach cross training athletes, this book will help you get the best from each session while crucially remaining injury free.

The Complete Guide to Indoor Rowing Jim Flood, Charles Simpson, 2012-07-01 Indoor rowing has become immensely popular as a form of fitness training and has also taken off on a competitive level. This book is the first comprehensive guide on the subject and is suitable for fitness professionals and coaches as well as individuals training in gyms or their own homes.
