The Consolations of Philosophy Alain De Botton, 2013-01-23 From the author of *How Proust Can Change Your Life* a delightful truly consoling work that proves that philosophy can be a supreme source of help for our most painful everyday problems Perhaps only Alain de Botton could uncover practical wisdom in the writings of some of the greatest thinkers of all time But uncover he does and the result is an unexpected book of both solace and humor Dividing his work into six sections each highlighting a different psychic ailment and the appropriate philosopher de Botton offers consolation for unpopularity from Socrates for not having enough money from Epicurus for frustration from Seneca for inadequacy from Montaigne and for a broken heart from Schopenhauer the darkest of thinkers and yet paradoxically the most cheering Consolation for envy and of course the final word on consolation comes from Nietzsche Not everything which makes us feel better is good for us This wonderfully engaging book will however make us feel better in a good way with equal measures of wit and wisdom

**Humour in Old English Literature** Jonathan Wilcox, 2023-10-02 Humour in Old English Literature deploys modern theories of humour to explore the style and content of surviving writing from early medieval England The book analyses Old English riddles wisdom literature runic writing the deployment of rhymes and humour in heroic poetry hagiography and romance Drawing on a fine tuned understanding of literary technique the book presents a revisionist view of Old English literature partly by reclaiming often neglected texts and partly by uncovering ironies and embarrassments within well established works including Beowulf Most surprisingly Jonathan Wilcox engages the large body of didactic literature pinpointing humour in two anonymous homilies along with extensive use in saints lives Each chapter ends by revealing a different audience that would have shared in the laughter Wilcox suggests that the humour of Old English literature has been scantily covered in past scholarship because modern readers expect a dour and serious corpus Humour in Old English Literature aims to break that cycle by highlighting works and moments that are as entertaining now as they were then

A. W. Strouse,2015 In the world of My Gay Middle Ages Chaucer and Boethius are the secret sharers of A W Strouse s gay lifestyle Where many scholars of the Middle Ages would get in from behind on cultural history Strouse instead does a reach around He eschews academic queer theory as yet another tedious normative framework and writes in the long fruity tradition of irresponsible homo medievalism a lineage that includes luminaries like Oscar Wilde who was sustained by his amateur readings of Dante and Abelard during the darks days of his incarceration for crimes of gross indecency Strouse experiences medieval literature and philosophy as a part of his everyday life and in these prose poems he makes the case for regarding the Middle Ages as a kind of technology of self preservation a posture through which to spiritualize the petty indignities of modern urban life With a Warholian flair for insouciant name dropping and a Steinian appetite for syntactic perversion Strouse monumentalizes the medieval within the contemporary and the contemporary within the medieval Today almost nobody reads Boethius which if you ask me is a crying shame Because Boethius is so gay First of all the heroine of the Consolation is this great big fierce diva whose name is Lady Philosophy She s a Lady and she doesn t stand for anybody s crap At the beginning of the book Boethius is crying all alone in prison depressed that he s lonely and loveless and is going to be killed Lady Philosophy descends from the heavens a la Glinda the Good Witch in The Wizard of Oz The first thing Boethius notices about her is that she s wearing an amazing dress with Greek letters embroidered on it they stand for practical and theoretical philosophy Her dress has been torn to shreds by the hands of uncouth philosophers They didn t know how to treat a lady from My Boethius
