The Crayon Papers:

The Crayon Papers Washington Irving, 1886 *The Crayon Papers* Washington Irving, 2017-02-01 Washington Irving first made an international literary splash with the essay collection *The Sketch Book of Geoffrey Crayon Gent*. This follow up volume contains a similarly charming mix of sketches, observations, humor, writing, and other short pieces. *The Crayon Papers (1820)* Washington Irving, 2018-12-03 I was born among romantic scenery in one of the wildest parts of the Hudson which at that time was not so thickly settled as at present. My father was descended from one of the old Huguenot families that came over to this country on the revocation of the edict of Nantz. He lived in a style of easy rural independence on a patrimonial estate that had been for two or three generations in the family. He was an indolent good natured man who took the world as it went and had a kind of laughing philosophy that parried all rubs and mishaps and served him in the place of wisdom. This was the part of his character least to my taste for I was of an enthusiastic excitable temperament prone to kindle up with new schemes and projects and he was apt to dash my sallying enthusiasm by some unlucky joke so that whenever I was in a glow with any sudden excitement I stood in mortal dread of his good humor. *The Crayon Papers 1820* Washington Irving, 2017-01-30 Washington Irving April 3 1783 November 28 1859 was an American short story writer, essayist, biographer, historian, and diplomat of the early 19th century. He is best known for his short stories *Rip Van Winkle* 1819 and *The Legend of Sleepy Hollow* 1820, both of which appear in his book *The Sketch Book of Geoffrey Crayon Gent*. His historical works include biographies of George Washington, Oliver Goldsmith, and Muhammad, and several histories of 15th century Spain dealing with subjects such as Christopher Columbus, the Moors, and the Alhambra. Irving served as the U.S. ambassador to Spain from 1842 to 1846.
