

KATHERINE
JOHN

THE DEFEATED
ARISTOCRAT

BOOK ONE - KONIGSBERG 1919

The Defeated Aristocrat Konigsberg 1919

**James Louis Garvin, Franklin Henry
Hooper, Warren E. Cox**

The Defeated Aristocrat Konigsberg 1919:

The Defeated Aristocrat Katherine John, 2015-02-01 After spending the last months of the Great War as POWs Wolf Mau and his fellow soldiers are relieved to be back in Germany Their homeland is defeated starving and broken they didn't expect a welcome home party But neither did they anticipate murder A killer is stalking the medieval streets of Konigsberg A killer who specialises in kidnapping demobbed soldiers before torturing them using medieval methods and leaving their mutilated corpses in the city's red light district With senior police officials more concerned with politics than crime solving it falls to Wolf to hunt down whoever is committing these sadistic crimes before he and his remaining friends find themselves on the growing list of victims

Hitler's Stormtroopers and the Attack on the German Republic, 1919-1933 Otis C. Mitchell, 2013-10-29 Hitler was Nazi Germany and Nazi Germany was Hitler Though true to the extent that Hitler's personality leadership and ideological convictions played a massive role in shaping the nature of government and life during the Third Reich this popular view has led many writers since the end of World War II to overlook important aspects of Nazism while centering attention solely on Hitler's contributions to the Nazi Party This book seeks to fill a significant gap in the literature by concentrating particularly on the Nazi Party and its growth during the years of the Weimar Republic examining the paramilitary presence in Germany and Bavaria after World War I Most of the book describes the development of the Nazi Storm Detachment Sturmabteilung or SA before and after the failed Beer Hall Putsch in 1923 By the time Hitler came to power in January 1933 there were perhaps as many as 400 000 of these brown shirted men often self-styled revolutionaries creating violence on a daily basis and destroying the underpinnings of the Weimar Republic The book features several photographs captured from the Nazi Party's Central Publishing Facility in Munich and passed to the author in the late 1950s

The Companion to British History Charles Arnold-Baker, 2015-07-30 First published in 1996 this comprehensive guide to the history of Britain and its peoples will be indispensable reading for the general enthusiast as well as students It is packed full of fascinating detail on everything from Hadrian's Wall to the Black Death to Tony Blair The book was assembled over more than thirty years and has seen updates in three editions He has done for historical encyclopaedias what Samuel Johnson did for dictionaries Andrew Roberts The Daily Telegraph An astonishing synthesis of information Roger Scruton The Times An astonishing achievement a compelling book for dipping into a splendid work Simon Hoggart The Guardian This marvellous book which contains tens of thousands of historical facts will enlighten amuse and inform Every home should have one Simon Heffer The Daily Mail If you were marooned on that mythical desert island with only one history book this would be the one to take Buy three copies one for the children one for the grandchildren and one for yourself John Charmley The Daily Telegraph

How Hitler Evolved the Traditional Army Establishment Andrew Sangster, Pier-Paolo Battistelli, Pier Paolo Battistelli, 2024-08-30 An examination of Hitler's key military generals and their contributions and failures to the Germany military Under the surveillance of General von Seeckt the Germans re-established their military

which Hitler utilised for his aggression of recovering Germany's military greatness This book explores some of the leading military figures The often ignored Field Marshal Keitel is explored to see if there were any substance in the Allied belief that this Chief of the OKW was the driving force behind initial German success or was he merely Hitler's lackey and bureaucrat He was derided by his contemporaries because of his unstinting Prussian obedience to Hitler This sense of total compliance was also reflected by General Paulus who although obedient was reluctant to carry out Hitler's barbaric orders relating to Jews and prisoners but otherwise was obedient and trusting of Hitler even though he knew it would lead to military disaster It took time in a Russian prison camp to turn him against the once adored German dictator where he eventually became anti-Nazi In striking contrast to the failed Paulus Field Marshal Manstein is examined He was a skilled strategist and tactician and proved this in his victory in France He lacked the social sophistication of many other leading military commanders but he was one of the very few who had the courage to challenge Hitler's military directions and decisions He was eventually dismissed by Hitler and postwar wrote two books to regain his reputation despite the fact he was convicted of war crimes and whether he deserves a pedestal remains with the reader

Journalists Between Hitler and Adenauer Volker R.

Berghahn, 2020-08-04 The moral and political role of German journalists before during and after the Nazi dictatorship Journalists between Hitler and Adenauer takes an in depth look at German journalism from the late Weimar period through the postwar decades Illuminating the roles played by journalists in the media metropolis of Hamburg Volker Berghahn focuses on the lives and work of three remarkable individuals Marion Countess Dönhoff distinguished editor of Die Zeit Paul Sethe the grand old man of West German journalism and Hans Zehrer editor in chief of Die Welt All born before 1914 Dönhoff Sethe and Zehrer witnessed the Weimar Republic's end and opposed Hitler When the latter seized power in 1933 they were like their fellow Germans confronted with the difficult choice of entering exile becoming part of the active resistance or joining the Nazi Party Instead they followed a fourth path inner emigration psychologically distancing themselves from the regime their writing falling into a gray zone between grudging collaboration and active resistance During the war Dönhoff and Sethe had links to the 1944 conspiracy to kill Hitler while Zehrer remained out of sight on a North Sea island In the decades after 1945 all three became major figures in the West German media Berghahn considers how these journalists and those who chose inner emigration interpreted Germany's horrific past and how they helped to morally and politically shape the reconstruction of the country With fresh archival materials Journalists between Hitler and Adenauer sheds essential light on the influential position of the German media in the mid twentieth century and raises questions about modern journalism that remain topical today
