The Devil's Double Original Book Latif Yahia, 1994-04-01 *THE DEVIL'S DOUBLE* is the first of 3 autobiographical books chronicling Latif Yahia's incredible life story. It vividly describes how Latif was forced to become Uday Hussein's fidai body double and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities, and sadistic murders. The book has recently been made into a highly acclaimed movie *THE BLACK HOLE* gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts. *Forty Shades of Conspiracy* brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug dealers, corrupt Irish Garda officers, and Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading. **Book Description** In 1987 Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him that because of the great likeness between them he had been chosen to be Uday's

double For many Iraqis it would have been the highlight of their lives but for Latif a peace loving man who did not agree with Saddam's brutal regime it was not He refused Following a week of torture and realising he would be killed if he continued to refuse Latif was forced to accept the role After a gruesome training programme during which he was made to watch over thirty films of torture hours of tapes of Uday and undertake a final remodelling of his appearance Latif was deemed ready But it was only after the final test a meeting with Saddam himself that Latif made his first public appearance And so began his life as Uday's double a life on the perimeter of the inner circle of Saddam's eldest son a witness to the horror of his insane life of debauchery excess and brutality and an experience for which he almost paid with his life on more than one occasion

Marowski,1988-08 Entries include critical commentary brief biographical information a portrait when available a list of principal works and may also include a further reading section Commentary on the Gospel According to John, Books 13-32 Origen,1993 This volume contains what remains of Books 13-32 of Origen's Commentary on the Gospel according to John and thus completes the publication of the first full English translation of this work that stands as the

beginning of Christian scriptural exegesis Ronald Heine introduces his translation with a discussion of the times and circumstances within which the commentary was composed He also provides a survey of the major theological questions with which the commentary is concerned These include Origen's thought on the nature of God the person and work of Christ his relation to the Father and to the created order his teaching on the Holy Spirit the Resurrection and eschatology and his ideas on the devil Beginning with the conversation between Christ and the Samaritan woman at the well and ending with Christ's discourse to his disciples at the Last Supper the commentary displays Origen's attention to the literal meaning of the passages but moves beyond them to try to grasp their spiritual significance providing us with the opportunity to examine Origen's mystical thought Origen also refutes the Gnostic reading of the Gospel presented by Heracleon but this polemic is subordinate to his own investigation of the theological philosophical historical and etymological questions raised by the Gospel Because it treats many of the same passages of the Gospel of St John for which St Augustine provides a commentary in *The Fathers of the Church* volume 88 this volume provides a worthy companion to it and invites a comparison of the thoughts of these two great exegetes upon what both regarded as the greatest of the Gospels
