Veils and Vows Complete Series Romance Collection (Books 0-6): Marriage of Convenience Sweet Romances Jean Oram, 2023-08-14

Already read a Veils and Vows book and need more. Treat yourself to this timeless collection of small town marriage of convenience romances. Accidental marriages, marriage pledges between friends, fake engagements, surprise weddings, secret marriages, a modern mail order bride, and much more await in the small mountain town of Blueberry Springs. Included in this complete set of Veils and Vows books are:

- Prequel: *The Promise* When worlds collide, will this race car driver and debutante be able to hold on to their love when reality comes knocking?
- Book 1: *The Surprise Wedding* Sometimes exes come in handy. A fake engagement and business deal bring Devon and Olivia back together for a second chance. But will they have to fake their affection, or will they pick up where they left off?
- Book 2: *A Pinch of Commitment* When falling in love isn't part of the contract, Ethan promises to marry his childhood friend and go through the motions of a fake marriage. All's well until things begin to feel less than fake.
- Book 3: *The Wedding Plan* Falling in love wasn't part of the plan. They've promised their past mistakes won't impact their secret wedding plan. They've promised not to kiss, not to fall in love. The problem is both Luke and Emma harbor enough secrets to destroy even the best laid wedding plans.
- Book 4: *Accidentally Married* Accidents happen. So does marriage. Jill and Burke don't recall getting married, but there's a marriage certificate on file that has them and their business assets linked. Can these accidental newlyweds find a way to band together and strengthen their companies, or will they miss out on the happily ever after fate may have tossed their way?
- Book 5: *The Marriage Pledge* Sometimes platonic friends make the best spouses. Can these two friends withstand the pressures of baby making as their minds begin to turn down avenues that are anything but platonic? And what will Amy do when she does the unthinkable and begins to fall for her husband of convenience?
- Book 6: *Mail Order Soulmate* Something borrowed, something baby blue. Zach, a former international agent, orders everything from socks to groceries online. Including, after a spontaneous click of his mouse, his new bride. But when Catherine arrives on his step with a baby in her arms and a scared look in her eyes, he's not sure if it's the situation or her past causing the fear. All he knows is that he's the man who can protect this small family.

Critical Music Historiography: Probing Canons, Ideologies and Institutions Vesa Kurkela, Markus Mantere, 2016-03-09

During the past two decades, there has emerged a growing need to reconsider the objects, axioms, and perspectives of writing music history. A certain suspicion towards Francois Lyotard's grand narratives as a sign of what he diagnosed as our postmodern condition has become more or less an established and unquestioned point of departure among historians. This suspicion at its most extreme has led to a radical conclusion of the end of history in the work of postmodern scholars such as Jean Baudrillard and Francis Fukuyama. The contributors to *Critical Music Historiography* take a step back and argue that the radical view of the impossibility of history, as well as the unavoidable ideology of any history, are counterproductive.

points of departure for historical scholarship It is argued that metanarratives in history are still possible and welcome even if their limitations are acknowledged Foucault Lyotard and others should be taken into account but systematized viewpoints and methods for a more critical and multi faceted re evaluation of the past through research are needed As to the metanarratives of music history they must avoid the pitfalls of evolutionism hagiography and teleology all hallmarks of traditional historiography In this volume the contributors put these methods and principles into practice The chapters tackle under researched and non conventional domains of music history as well as rethinking older historiographical concepts such as orientalism and nationalism and consequently introduce new concepts such as occidentalism and transnationalism The volume is a challenging collection of work that stakes out a unique territory for itself among the growing body of work on critical music history

Masculine Ideals and Alexander the Great Jaakkojuhani Peltonen, 2023-11-23 From premodern societies onward humans have constructed and produced images of ideal masculinity to define the roles available for boys to grow into and images for adult men to imitate The figure of Alexander the Great has fascinated people both within and outside academia As a historical character military commander cultural figure and representative of the male gender Alexander's popularity is beyond dispute Almost from the moment of his death Alexander's deeds have had a paradigmatic aspect for over 2300 years he has been represented as a paragon of manhood an example to be followed by other men and through his myth people have negotiated assumptions about masculinity This work breaks new ground by considering the ancient and medieval reception of Alexander the Great from a gender studies perspective It explores the masculine ideals of the Greco Roman and medieval pasts through the figure of Alexander the Great analysing the gendered views of masculinities in those periods and relating them to the ways in which Alexander's masculinity was presented It does this by investigating Alexander's appearance and its relation to definitions of masculinity the way his childhood and adulthood are presented his martial performance and skill proper and improper sexual behaviour and finally through his emotions and mental attributes

Masculine Ideals and Alexander the Great will appeal to students and scholars alike as well as to those more generally interested in the portrayal of masculinity and gender particularly in relation to Alexander the Great and his image throughout history The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
