unforgiving glare lies a man haunted by a dark past a man Ellie can't help but want to understand even if it means risking everything Tasked with softening Victor's public image before a high stakes merger Ellie's warmth and honesty clash with his harsh edges slowly thawing the ice around his guarded soul But danger lurks in the shadows of Kane Enterprises and someone will stop at nothing to keep buried secrets from coming to light From a tense car chase through city streets to a chilling bomb threat that puts lives on the line Ellie is pulled into a deadly game where loyalty is uncertain and betrayal comes from those closest to Victor Through it all the walls between them crumble revealing a connection neither expected and a love that could save or shatter them both *The Armed Forces and American Social Change* Troy Mosley, 2021-10-04

The Armed Forces and American Social Change is a powerful depiction of black Americans struggle for equality told through the lens of uniformed military service Troy Mosley uses superb storytelling personal vignettes and historical examples to show how millions of Americans have lifted themselves from oppression through opportunities gleaned from military service Collectively these efforts exerted positive outward pressure on American society which by and large has resisted social change One unique aspect of combat is that rarely are Americans more equal than when thrust into harm's way It has been said there are no atheists in combat similarly racism sexism and homophobia quickly go by the wayside when under enemy fire Yet in the 19th century and well into the 21st America's military policies regarding the use of manpower could best be described as an awkward attempt to balance the requirement to win the nation's wars while supporting a socio political caste system President Harry Truman signed Executive Order 981 on July 26 1948 in response to police violence perpetrated against black veterans His actions broke this trend and set the military on the path toward true meritocracy Today retired General Lloyd Austin is the first black American Secretary of Defense in part due to the barriers broken down by those who served before him The armed services fiercely resisted integration gender equality and LGBTQ equality but over time have grown to value America's wellspring of diversity as a strategic and operational advantage Under the Trump administration many military policies supporting transgender inclusion were reversed This reversal thrust the U.S. military among other institutions into the ideological tug of war that lies at the heart of present day polarization in American society This ideological divide is the crux of the public discourse surrounding Critical Race Theory America's racist and sexist past and how we contextualize our history going forward for the betterment of the nation As far as America has come we still have work to do for Truman's vision of equality of opportunity to become a reality for all Americans Join this thought provoking narrative that celebrates brave American military pioneers and challenges us all to continue pushing for a better expression of America *The Bettencourt Affair* Tom Sancton, 2018-08-07 An NPR Best Book of 2017 Heiress to the nearly forty billion dollar L'Oréal fortune Liliane Bettencourt was the world's richest woman and the fourteenth wealthiest person But her gilded life took a dark yet fascinating turn in the past decade At ninety four she was embroiled in what has been called the Bettencourt Affair a scandal that dominated the headlines in France Why It's a tangled web of hidden secrets divided

loyalties frayed relationships and fractured families set in the most romantic city and involving the most glamorous industry in the world The Bettencourt Affair started as a family drama but quickly became a massive scandal uncovering L'Oréal's shadowy corporate history and buried World War II secrets From the Right Bank mansions to the Left Bank artist havens and from the Bettencourts' servant quarters to the office of President Nicolas Sarkozy all of Paris was shaken by the blockbuster case the shocking reversals and the surprising final victim It all began when Liliane met François Marie Banier an artist and photographer who was in his youth the toast of Paris and a protégé of Salvador Dalí Over the next two decades Banier was given hundreds of millions of dollars in gifts cash and insurance policies by Liliane What exactly was their relationship It wasn't clear at least of all to Liliane's daughter and only child Françoise who became suspicious of Banier's motives and filed a lawsuit against him But Banier has a far different story to tell The Bettencourt Affair is part courtroom drama part upstairs downstairs tale and part character-driven story of a complex fascinating family and the intruder who nearly tore it apart

Corporate Public Affairs Otto Lerbinger, 2006-08-15 Exploring the increasing interest in public affairs by organizations the author indicates that more and more frequently corporations are establishing public affairs positions typically within public relations departments to respond to issues and concerns arising out of the sociopolitical environment in which the corporation functions The Billionaire CEO Can't Have Me Back Soso, 2025-01-04 Aubrey Carver a young heiress of the

wealthiest family in the country left her fortune to marry her first love Dario Fowler To avoid overshadowing him with her wealth she posed as a poor countryside girl Dario however only married her to secure his inheritance planning to divorce her once his true love returned Aubrey endured years of insults and hardships from the Fowler family her love for Dario unwavering But when Dario handed her divorce papers she realized he never loved her Heartbroken she returned to her family who welcomed her with open arms Months later Aubrey dazzled everyone at a grand ball hosted by her grandfather to announce her as the chairwoman of Carver's Corp Her true identity revealed the once poor girl was now a powerful heiress Dario realizing his mistake now faces a crumbling empire and must win Aubrey back to save his business But will she forgive him and take him back Or will she choose a new path The decision is hers to make The Banca Nazionale Del Lavoro

The Centre for Corporate Public Affairs Australia Public Affairs and particularly government relations lobbying have evolved in recent years from a tactic adopted by organizations to amend occasional legislation to become a managerial strategy to achieve competitive advantage At the fore front of research and practice in Public Affairs this Handbook draws upon the expertise of leading figures in the field to provide a comprehensive overview of a huge growth area in organisations strategic thinking Articles evoke pan national experience and are organised into four sections to help readers navigate issues and draw comparisons Sections cover investigation into the development and meaning of Public Affairs the management and practice of Public Affairs within organisations global case studies an overview of scholarly developments **Scandal in Japan** Igor Prusa,2023-08-11 This book is an exploration of media scandals in contemporary Japanese society In shedding new light on the study of scandal in Japan the book offers a novel view of scandal as a specific mediatized ritual which follows moral disturbances throughout Japanese history Media and society are analyzed largely in terms of social performances while the focus is on how Japanese transgressors talk and act when explaining their scandals to the public A detailed analysis of three case studies is provided the drug scandal of the popular Japanese celebrity Sakai Noriko the donation scandal centering the heavyweight politician Ozawa Ichir and the Olympus accounting fraud revealed by the British CEO Michael Woodford This book will appeal to students and scholars of Japanese culture and society anthropology communication and media studies

The CEO's Second Choice J. Tarr,2021-12-29 Elena Wiltshire s dreams were on the cusp of coming true she just got accepted into Harvard without the sway of the Wiltshire name But when her twin sister s engagement to Sebastian Dumont the wealthiest CEO in the UK falls through due to her sister s shameless deeds Elena is forced to take her place to avoid a scandal Will Elena crack the surface of the jaded and heartbroken CEO or live a wedded life of misery **Fake it so Real** Susan Sanford Blades,2020-10-17 Fake it so Real takes on the fallout from a punk rock lifestyle the future of no future and its effect on the subsequent generations of one family In June of 1983 Gwen a gnarly Nancy Spungen lookalike meets Damian the enigmatic leader of a punk band Seven years and two unplanned pregnancies later Damian abandons Gwen leaving her to raise their two daughters Sara and Meg on her own The fourteen chapters that make up this book usher Gwen and her daughters through five decades haunted by Damian s ghost Fuelled by vodka and scrappy determination Gwen balances a responsibility to her daughters with her narcissistic self destructive tendencies Sara and Meg scramble through adolescence and enter adulthood walking the line between selfishness and self sacrifice attempting to avoid their parents mistakes all the while making a whole new set of mistakes of their own In the voices of Gwen Damian Sara Meg Damian s bandmate and Gwen s true love the novel weave a raw and honest tapestry of family life as told from the underbelly focused on the grey area between right and wrong the idea that we are all equally culpable and justified in our actions and the pain and ecstasy that accompany a life lived authentically THE YOGA THERAPY HANDBOOK - BOOK TWO - REVISED SECOND EDITION ROGER MARTIN DAVIS,ADISA M. OMAR,2015-03-27 The long awaited revised 2nd edition of The Yoga Therapy Handbook

has arrived It is greatly expanded colorful and much more descriptive than the original edition from 2007 The new version is contained in four distinct volumes Book 1 4 that are being sold separately with an a la cart styling so readers can pick and choose from what works best for them as either a novice beginner or advanced Yoga therapist Perhaps what is most intriguing though about this 2nd edition is that in the interim period the author made a dramatic and controversial decision to embrace Al Islam Accordingly this edition wrestles with those quintessential elements that make a comparative religion flow to this text quite different than any other Yoga therapy book on the market today The author also revives his review of the multicultural expressions as well in both Yoga Science and meditation practices The creative artistic flair of the illustrator Sue Jeong Ka is still woven into the fabric of this text This Fine Artist who is originally from South Korea ROK now lives and works in the USA New York City Surely her talents have expanded since the first edition and we hope with the print edition to follow she add some new illustrations to enliven this text
