agenda ,1980 *The Origins and Consequences of Congressional Party Election Agendas* Scott R. Meinke,2023-02-23 This
Element examines congressional party election agendas asking first how they originate and what priorities within the party
they strategically represent and second how they shape post election legislative activity and policymaking After surveying
post 1980 agenda efforts it focuses on two prominent cases the Republican Contract with America 1994 and the Democratic
New Direction for America 2006 Using archived records and other qualitative evidence it shows that both agendas were
leadership driven but were developed in lengthy and relatively inclusive processes Quantifying agenda content it
demonstrates that the parties strategically skewed agenda promises toward select segments of the caucus as measured in bill
introduction priorities and the promises echoed leadership messaging from speeches and floor motions in the Congress
before the election After winning a majority both parties shifted the House s legislative activity sharply toward agenda
priorities but the impact on policy outcomes was substantially constrained **The Door of Last Resort** Frances
