Annotations to Corpus Juris ,1921 **The Dictionary of Art: A to Anckermann** Jane Turner,1996 Online ed
 provides access to the entire 45 000 plus articles of Grove s Dictionary of art 1996 34 vols with constant additions of new
 material and updates to the text plus extensive image links *The Teutonic Knights* Aleksander Pluskowski,2024-07-06 A
 gripping account of the rise and fall of the last great medieval military order This book provides a concise and incisive
 introduction to the knights of the Teutonic Order the last of the great military orders established in the twelfth century The
 book traces the Order s evolution from a crusader field hospital into a major territorial ruler in northeastern Europe Notably
 the knights constructed distinctive fortified convents including their headquarters in Western Christendom s largest castle
 The narrative concludes with the Order s fifteenth century decline due to the combined effects of a devastating war with
 Poland Lithuania and the Protestant Reformation The result is an accessible overview of this pivotal corporation in European
 history **The Absent Jews** Cordelia Hess,2017-05-01 For nearly a century it has been a commonplace of Central European
 history that there were no Jews in medieval Prussia the result supposedly of the ruling Teutonic Order s attempts to create a
 purely Christian crusader s state In this groundbreaking historical investigation however medievalist Cordelia Hess

demonstrates the very weak foundations upon which that assumption rests In exacting detail she traces this narrative to the work of a single minor Nazi era historian revealing it to be ideologically compromised work that badly mishandles its evidence By combining new medieval scholarship with a biographical and historiographical exploration grounded in the 20th century *The Absent Jews* spans remote eras while offering a fascinating account of the construction of historical knowledge
