The Chronicles Of Brother Nicholas And Other Stories:

The Chronicles of Brother Nicholas Ben Boyarko, 2014-10-29 The Chronicles of Brother Nicholas is the story of a man the story of a legend that will have you laughing crying and really really wanting to call your brother on the phone Also this book is def not for kids **The Prose Brut and Other Late Medieval Chronicles** Jaclyn Rajsic, Erik Kooper, Dominique T.

Hoche, 2016 Essays on the medieval chronicle tradition shedding light on history writing manuscript studies and the history of the book and the post medieval reception of such texts The histories of chronicles composed in England during the fourteenth and fifteenth centuries and onwards with a focus on texts belonging to or engaging with the Prose Brut tradition are the focus of this volume The contributors examine the composition dissemination and reception of historical texts written in Anglo Norman Latin and English including the Prose Brut chronicle c 1300 and later Castleford s Chronicle c 1327 and Nicholas Trevet s Les Cronicles c 1334 looking at questions of the processes of writing rewriting printing and editing history They cross traditional boundaries of subject and period taking multi disciplinary approaches to their studies in order to underscore the shifting historical social and political contexts in which medieval English chronicles were used and read from the fourteenth century through to the present day As such the volume honours the pioneering work of the late Professor Lister M Matheson whose research in this area demonstrated that a full understanding of medieval historical literature demands attention to both the content of the works in question and to the material circumstances of producing those works JACLYN RAJSIC is a Lecturer in Medieval Literature in the School of English and Drama at Queen Mary University of London ERIK KOOPER taught Old and Middle English at Utrecht University until his retirement in 2007 DOMINIQUE HOCHE Is an Associate Professor at West Liberty University in West Virginia Contributors Elizabeth J Bryan Caroline D Eckhardt A S G Edwards Dan Embree Alexander L Kaufman Edward Donald Kennedy Erik Kooper Julia Marvin William Marx Krista A Murchison Heather Pagan Jaclyn Rajsic Christine M Rose Neil Weijer

CHRONICLE OF THE TWENTY-FOUR GENERALS OF THE ORDER OF FRIARS MINOR ARNALD OF SARRANT, 2013-09-26 The history of the Order of Friars Minor during the first one and a half centuries of its existence is maybe the most studied period of the 800 years of Franciscan presence in the Church The publication of the Sources for the lives of Saint Francis and Saint Clare of Assisi in all the main European languages has been of considerable help to spread the historical knowledge regarding Francis of Assisi and his movement and make it available to the average reader Among these Sources the Chronica XXIV Ministrorum Generalium Ordinis fratrum Minorum by Arnald of Sarrant merits particular attention It tells the story of the Franciscan Order from the time of Saint Francis till the beginning of the Western Schism in 1378 and therefore contains valuable information regarding the initial period of Franciscan history Unfortunately it is not easily available in translation because of its voluminous nature In fact it covers a total of 712 pages of the third volume of Analecta Franciscana published by the Franciscan editors of

Quaracchi in 1897 Our aim has been that of embarking on the arduous task of translating this voluminous work of history into English from the original Latin This translation is the fruit of three years of work and we are now happy to present it to the general public Because of its voluminous nature we intend to divide it into 5 sections four of which cover the 575 pages of text and one the appendixes The whole 575 page Chronicle is here available in 4 sections covering respectively the following historical periods 1 Saint Francis and the early Franciscan fraternity 2 The Generals from brother Elias as vicar 1227 to Saint Bonaventure 1274 3 The Generals from Jerome of Ascoli 1274 to Michael of Cesena 1328 4 The Generals from Gerard Eudes 1329 to Leonard of Giffoni 1378 A last section will be the translation of the appendixes The translation is enriched by footnotes and explanations on the various historical events narrated and on the personages of the Chronicle Our aim has been simply that of providing a readable translation without pretending to be scholars of mediaeval Latin We hope that the service we are offering at such an enormous cost of time and personal effort will be of benefit both to students of Franciscan history as well as to those who are qualified to correct its inaccuracies and who we gratefully thank for their eventual advice and corrections Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh, 1907
