With Rulings of All the High Courts in India ... With an Appendix of Rules, Regulations and Circular Orders of the Several High Courts and Chief Courts in India ... By Fendall Currie India,1872 **The Professor & the Coed** Mark Gribben,2010-06-18

The true story of James Howard Snook Theora Hix and one of the most shocking crimes of the 1920s In the sweltering summer of 1929 the people of Columbus Ohio were enthralled by the story of Dr James Howard Snook an Ohio State University veterinary professor and Olympic gold medal winning pistol shooter who was put on trial for the murder of his twenty four year old lover a medical student This riveting account reveals how Snook was captured and interrogated including his gory confession of Theora Hix s death During the trial the details of the illicit love affair were so salacious that newspapers could only hint about what really led to the coed s murder and the professor s ultimate punishment This is the first full account of this astonishing story from scandalous beginning to tragic end *Confessions of a Spent Youth* Vance Bourjaily,2015-04-28

In this masterwork of confessional literature a man approaching middle age recalls his impetuous youth with fondness remorse and astonishment Spanning the years 1939 to 1946 this is the story of a defining era in one man s life and an exhilarating tribute to the entire generation that came of age during World War II Quince s youthful adventures begin with his first sexual encounter a night with a girl named Moomie in a one room cabin in Virginia and end with the twenty four year old veteran settling down to his postwar future In between he falls in and out of love with dozens of women drinks and drugs his way through two years of college and four years of military service travels the world and meets a dazzling array of colorful characters In a voice both beguiling and sincere an older wiser Quince narrates his escapades in search of the truth about who he was and who he has become One of the finest novels of mid twentieth century America *Confessions of a Spent Youth* is poignant witty and profound WVU Coed Murders, The: Who Killed Mared and Karen? Geoffrey C. Fuller & S. James McLaughlin,2021-10-04

Some said that the killer couldn t be a local Others claimed that he was the wealthy son of a prominent Morgantown family Whispers spread that Mared and Karen were sacrificed by a satanic cult or had been victims of a madman poised to strike again Then the handwritten letters began to arrive You will locate the bodies of the girls covered over with brush look carefully The animals are now on the move Investigators didn t find too few suspects they had far too many There was the campus janitor with a fur fetish the harmless deliveryman who beat a woman nearly to death the nursing home orderly with the bloody broomstick and the bouncer with the girlish laugh who threatened to cut off people s heads Local authors Geoffrey C Fuller and S James McLaughlin tell the complete story of the murders for the first time **The Codes of**

California, John F. MacLane, 1906 Three Centuries of Girls' Education Mary Anne O'Neil, 2022-10-19 In *Three Centuries of Girls Education* Mary Anne O'Neil offers both an examination and the first English translation of *Les Réglements des religieuses Ursulines de la Congrégation de Paris* Published in 1705 *Regulations* is the first pedagogical system explicitly designed for the education of girls It is also one of the few surviving documents describing the day to day operations of early Ursuline schools O'Neil traces the history of the document from the writings of the Italian foundress of the Ursulines to the establishment of the religious order in Paris in 1612 to the changes in the organization of Ursuline schools in nineteenth century France and finally to Mother Marie de St Jean Martin's spirited defense of the traditional French Ursuline method after World War II In the eighteenth century New Orleans Ursulines used the *Regulations* as a guide to establish their schools and teaching methods Overall O'Neil's history and translation recover a vital source for historians of the early modern era but will also interest scholars in the fields of education history and female religious life The Indian Codes Standish Grove Grady, 1871 **Crescent City Girls** LaKisha Michelle Simmons, 2015-05-28 What was it like to grow up black and female in the segregated South To answer this question LaKisha Simmons blends social history and cultural studies recreating children's streets and neighborhoods within Jim Crow New Orleans and offering a rare look into black girls' personal lives Simmons argues that these children faced the difficult task of adhering to middle class expectations of purity and respectability even as they encountered the daily realities of Jim Crow violence which included interracial sexual aggression street harassment and presumptions of black girls' impurity Simmons makes use of oral histories the black and white press social workers reports police reports girls' fiction writing and photography to tell the stories of individual girls some from poor working class families some from middle class respectable families and some caught in the Jim Crow judicial system These voices come together to create a group biography of ordinary girls living in an extraordinary time girls who did not intend to make history but whose stories transform our understanding of both segregation and childhood Kids, Cops, and Confessions Barry Feld, 2023-11-21 Juveniles possess less maturity intelligence and competence than adults heightening their vulnerability in the justice system For this reason states try juveniles in separate courts and use different sentencing standards than for adults Yet when police bring kids in for questioning they use the same interrogation tactics they use for adults including trickery deception and lying to elicit confessions or to produce incriminating evidence against the defendants In *Kids Cops and Confessions* Barry Feld offers the first report of what actually happens when police question juveniles Drawing on remarkable data Feld analyzes interrogation tapes and transcripts police reports juvenile court filings and sentences and probation and sentencing reports describing in rich detail what actually happens in the interrogation room Contrasting routine interrogation and false confessions enables police lawyers and judges to identify interrogations that require enhanced scrutiny to adopt policies to protect citizens and to assure reliability and integrity of the justice system Feld has produced an invaluable look at how the justice system really works **The Confessions of a Caricaturist (Vol.**
