Mirages and Mad Beliefs Christopher Prendergast,2013-07-21 Marcel Proust was long the object of a cult in which the main point of reading his great novel In Search of Lost Time was to find with its narrator a redemptive epiphany in a pastry and a cup of lime blossom tea We now live in less confident times in ways that place great strain on the assumptions and beliefs that made those earlier readings possible This has led to a new manner of reading Proust against the grain In Mirages and Mad Beliefs Christopher Prendergast argues the case differently with the grain on the basis that Proust himself was prey to self doubt and found numerous if indirect ways of letting us know Prendergast traces in detail the locations and forms of a quietly nondogmatic yet insistently skeptical voice that questions the redemptive aesthetic the novel is so often taken to celebrate bringing the reader to wonder whether that aesthetic is but another instance of the mirage or the mad belief that in other guises figures prominently in In Search of Lost Time In tracing the modalities of this self pressuring voice Prendergast ranges far and wide across a multiplicity of ideas themes sources and stylistic registers in Proust s literary thought and writing practice attentive at every point to inflections of detail in a sustained account of Proust the skeptic for the contemporary reader
