Sorlin,2022-01-31 Building on the notion of fiction as communicative act this collection brings together an interdisciplinary range of scholars to examine the evolving relationship between authors and readers in fictional works from 18th century English novels through to contemporary digital fiction The book showcases a diverse range of contributions from scholars in stylistics rhetoric pragmatics and literary studies to offer new ways of looking at the author reader channel drawing on work from Roger Sell Jean Jacques Lecercle and James Phelan The volume traces the evolution of its form across historical periods genres and media from its origins in the conversational mode of direct address in 18th century English novels to the use of second person narratives in the 20th century through to 21st century digital fiction with its implicit requirement for reader participation The book engages in questions of how the author reader channel is shaped by different forms and how this continues to evolve in emerging contemporary genres and of shifting ethics of author and reader involvement This book will be of particular interest to students and scholars interested in the intersection of pragmatics stylistics and literary studies

The Reign of Greed. A Complete English Version of El Filibusterismo José Rizal,1912 **Singleness in Britain, 1960-1990: Identity, Gender and Social Change** Emily Priscott,2020-07-07 This book contributes to an emerging field of research looking at the significance of marital status to debates about identity and gender It examines representations and experiences of single men and women between 1960 and 1990 using a wide variety of sources including digitized British newspapers social research films and lifestyle literature Whilst much existing work focuses on the early to mid 20th centuries such as Katherine Holden s ground breaking work *The Shadow of Marriage Singleness in England 1914 1960* this book alternatively examines the impact of the 1960s and the aftermath of changing attitudes to singleness While Holden and others such as Virginia Nicholson in *Singled Out* focus largely on social status and lived experience often through oral testimony the author is just as interested in finding new ways of looking at gender and sexuality This work starts from the premise that a distinct double standard existed in attitudes towards single men and women which continued even after the wave of legislation to improve women s status during the 1960s Examining these often vastly different expectations reveals a complex web of progress continuity and contradictions highlighting the uneven pace of social change and its frequent compromises and limitations Using theoretical approaches such as feminism and queer theory this work explores the impact of changing gender norms on issues including single fatherhood old maid stereotypes and experiences of homelessness It can be used as a study aid for 20th century British history and gender studies courses and might also interest both established academics and intellectually curious non academic readers The author has made efforts where possible to clearly explain her theoretical approaches and interventions for those who might be unfamiliar with them **Cover Me** Ray Padgett,2017-11-03 From the creator of the popular website covermesongs.com comes the perfect book for music fans the inside stories behind 20 iconic cover songs and the artists who turned them into classics A great cover only makes a song stronger Jimi Hendrix s version of Bob Dylan s *All Along the Watchtower* The Beatles rocking out with *Twist and Shout*
