Augustine, 2012-01-01 Spirituality involves taking our personal experience seriously as raw material for redemption and holiness examining the material of our daily lives with as much rigor as we do Scripture and doctrine Confessions is the landmark work in this exercise Eugene Peterson Saint Augustine wasn't always a saint He led a turbulent and licentious youth and belonged to the fourth century equivalent of a street gang At the age of 29 he met a young man Ambrose whose intelligence kindness and strong faith fascinated and puzzled Augustine Then at the age of thirty two under Ambrose's tutelage Augustine converted to Christianity and went on to be one of the most influential Christians throughout history Written in 400 AD less than a decade after his ordination to the priesthood a mere four years after becoming bishop of Hippo he wrote Confessions in his forties He was a man looking back and looking forward an apt simile perhaps for the role Augustine played in the history of the Church that of a bridge between two distinct eras Confessions traces a pilgrimage of unbounded grace passionately wrestling with the spiritual questions that have engaged thoughtful minds since time began It is Augustine's utter candor about his own sin and his struggle to reconcile his mind and soul to God's holy character that made Confessions the classic that it has been for fifteen centuries and compelling to readers still today Companion volume to HP's trade paper edition of Augustine's City of God Classic text edited by Albert Cook Outler Larger easy to read edition Competitively priced It is difficult to find a theologian from any age who has not been influenced by the teachings of St Augustine Richard Foster Devotional Classics

teacher of rhetoric training young lawyers in the art of pleading By the time he was about twenty seven he had begun to have doubts as to the validity of Manichaeism but it was not till 387 while he was Professor of Rhetoric in the University of Milan that he was converted to Catholic Christianity and received baptism He now gave up his profession and became an ascetic studying the foundations of the faith writing chiefly against his former sect and conversing with a group of disciples first at Rome and then in his native town When he was on a visit to Hippo not far from Thagaste he was forced into the priesthood and in 395 he became Bishop of Hippo an office which he filled for the remaining thirty five years of his life Though he took a leading part in the activities of the African Church through all this time and gradually became one of the most distinguished ecclesiastical figures in the Empire the care of his diocese and the writing of his books formed his chief occupations He continued to lead a life of extreme simplicity and self denial and in his episcopal establishment he trained a large number of disciples who became leaders in the Church About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
