The Craft Of Revision:

The Craft of Revision Donald Morison Murray, 1991 Pulitzer prize winning author Donald M Murray takes a lively and inspiring approach to the process of revision **The Craft of Revision, Anniversary Edition** Donald M. Murray, 2012-01-09 Pulitzer Prize winning author Donald M Murray s lively and inspiring approach to writing and revision does not condescend but invites students into the writer s studio The ANNIVERSARY EDITION includes a new foreword by Brock Dethier Writing Program Director at Utah State University and former University of New Hampshire colleague of the late Donald Murray They met in 1978 and when Dethier later became an adjunct instructor at UNH struggling to balance his teaching career with his dreams of getting published Murray was a source of guidance and support Dethier offers not only an introduction to the man behind the book but a retrospective of Murray s significant contributions to the Composition world and the ways in which THE CRAFT OF REVISION helps students to actually DO the writing not just talk about it Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *The Craft of Revision* Lucy Calkins, Pat Bleichman, 2003 Part of a year long curriculum made up of primary writing units *When Teaching Writing Gets Tough* Annamary Consalvo, Ann D. David, 2024 Writing instruction is a particular challenge because there is no singular linear solution to teaching students to write well This book approaches writing as a wicked problem that takes place in complicated contexts Through both scholarly research and teacher reflection it examines ELA classrooms and the experiences of writing teachers to identify approaches that have proven effective with adolescents The book uses wickedity to frame the problems of teaching writing and offers context specific solutions enacted by teachers While it addresses the realities of standardized ways of teaching and assessing writing the book also highlights the deep professional knowledge and practical strategies teachers bring to writing instruction in middle and high school classrooms Chapters grapple with tensions between testing and authenticity assessing writing in nuanced ways and finding enjoyment in the work of teaching writing amid and alongside persistent complexities Specific topics include students writing process revision students as decision makers multimodal writing assessment and writer s notebooks data driven instruction the high school to college transition and teacher professional development Book Features Includes examples of how teachers approach specific challenges associated with teaching writing to adolescents analyzing how and why their solutions proved effective Focuses on students engaged in writing in classrooms teachers implementing writing strategies and professional learning Offers a range of relevant voices on the topic of writing instruction with authors that include classroom teachers and scholars

Revising Moves Christina LaVecchia, Allison Carr, Laura Micciche, Hannah Rule, Jayne Stone, 2024-04-22 Revision sometimes seems more metaphor than real having been variously described as a stage an act of goal setting a method of correction a process of discovery a form of resistance *Revising Moves* makes a significant contribution to writing theory by collecting stories of revision that honor revision s vitality and immerse readers in rooms life circumstances and scenes where

revision comes to life In these narrative driven essays written by a wide range of writing professionals *Revising Moves* describes revision as a messy generative and often collaborative act These meditations reveal how revision is both a micro practice tracked by textual change and a macro phenomenon rooted in family life institutional culture identity commitments and political and social upheaval Contributors depict revision as a holistic undertaking and a radically contextualized distributed practice that showcases its relationality to everything else Authors share their revision processes when creating scholarly works institutional and self promoting documents and creative projects Through narrative the volume opens a window to what is often unseen in a finished text months or years of work life events that disrupt or alter writing plans multiple draft changes questions about writerly identity and positionality layers of sometimes contradictory feedback and much more
