The Crazy Gang:

The Crazy Gang Maureen Owen, 1986 The Crazy Gang Dave Bassett, Wally Downes, 2015-10-29 If we can sell Newcastle Brown to Japan and if Wimbledon can make it to the First Division there is surely no achievement beyond our reach Margaret Thatcher The Crazy Gang is the story of a football miracle Promoted to the Football League in 1977 Wimbledon FC was a small team from south London that against the odds went all the way to the top of the First Division then to win the FA Cup in only just over a decade With no money scant resources and a blend of youth players and offcuts from other clubs they were christened Rag Arse Rovers They played hard on the pitch and partied hard off it Dave Harry Bassett was the manager who drilled a fierce fighting spirit into his players an unbreakable team ethos but he was also an underrated master tactician and pioneer of innovative training methods Wally Downes was the midfield fulcrum of the Dons but also the ringleader for the various acts of debauchery and general silliness that earned the club their reputation In The Crazy Gang Harry and Wally are joined by a host of former Wimbledon players and staff both famous names like Vinnie Jones Lawrie Sanchez and Dave Beasant but also unsung heroes in the club's history to tell it as it really was This is real football the way fans remember it and a world away from multimillionaire Premier League primadonnas **Appropriating Shakespeare** Louise Geddes, 2017-04-05 Appropriating Shakespeare A Cultural History of Pyramus and Thisbe argues that the vibrant transformative history of Shakespeare's play within a play from A Midsummer Night's Dream across four centuries allows us to see the way in which Shakespeare is used to both create and critique emergent cultural trends Because of its careful distinction between good and bad art Pyramus and Thisbe's playful meditation on the foolishness of over reaching theatrical ambition is repeatedly appropriated by artists seeking to parody contemporary aesthetics resulting in an ongoing assessment of Shakespeare's value to the time Beginning with the play's own creation as an appropriation of Ovid designed to keep the rowdy clown in check Appropriating Shakespeare is a wide ranging study that charts Pyramus and Thisbe's own metamorphosis through opera novel television and of course theatre This unique history illustrates Pyramus and Thisbe's ability to attract like minded experimental genre bending artists who use the text as a means of exploring the value of their own individual craft Ultimately what this history reveals is that in excerpt Pyramus and Thisbe affirms the place of artist as both consumer and producer of Shakespeare **It's Been Emotional** Vinnie Jones, 2014-07-17 The biography of soccer legend turned Hollywood movie star Vinnie Jones From a broken home to the captain of Wales a loving husband who became a huge film star Vinne Jones has lived a rich and varied life Here he tells his story **Critical Perspectives on the Western** Lee Broughton, 2016-09-19 For decades the Western film has been considered a dying breed of cinema yet filmmakers from Quentin Tarantino to Ethan and Joel Coen find new ways to reinvigorate the genre As Westerns continue to be produced for contemporary audiences scholars have taken a renewed interest in the relevance of this enduring genre In Critical Perspectives on the Western From A Fistful of Dollars to Django Unchained Lee Broughton has compiled a wide

ranging collection of essays that look at various forms of the genre on both the large and small screen Contributors to this volume consider themes and subgenres celebrities and authors recent idiosyncratic engagements with the genre and the international Western These essays also explore issues of race and gender in the various films discussed as well as within the film genre as a whole Among the films and television programs discussed in this volume are The Assassination of Jesse James by the Coward Robert Ford Django Kill Justified Meek s Cutoff Tears of the Black Tiger Appaloosa The Frozen Limits and Red Harvest Featuring a diverse selection of chapters that represent current thinking on the Western Critical Perspectives on the Western will appeal to fans of the genre film students and scholars alike

Old Time Variety Richard Anthony Baker,2020-01-31 An illustrated history of good old fashioned entertainment from names like Tessie O Shea George Formby and the early days of Bruce Forsyth Yours As one of the richest sources of diversion for the people of Britain between the end of the First World War and the 1960s the variety theater emerged from the embers of music hall a vulgar and rambunctious entertainment that had held the working classes in thrall since the 1840s Music hall bosses decided they would do better business if a man going to theaters on his own could take his wife and children with him knowing they would see or hear nothing that would scandalize them So variety a gentler

less red blooded entertainment was gradually established At the top of the profession were Gracie Fields a peerless singer and comedienne and Max Miller a comic who was renowned for being risqu but who in fact never cracked a dirty joke They were supported by acts that matched the word variety ventriloquists drag artists animal acts acrobats jugglers magicians and many more But the variety theater was constantly under threat first from revue then radio the cinema girlie shows the birth of rock n roll and finally television By the end of the 1950s the variety business seemed to have given up but the recent and extraordinary popularity of talent shows on television has proved the public appetite is still there Variety could be about to start all over again A priceless record of the people who entertained several generations between the wars and for a brief time after WWII thoroughly entertaining Books Monthly *Football Fables* Iain Macintosh,2008-08-01 *Football Fables* is a hilarious and fascinating anthology of stories from some of the most exciting names to have played the game Some are outrageous some sad some downright bizarre all are true and straight from the mouths of the men who were there when it mattered What was it like to play for Brian Clough in his European Cup winning prime How did it feel to be in Graham Taylor's England side when Ronald Koeman stopped them qualifying for the 1994 World Cup What happened in the summer of 1992 to turn Manchester United from perennial also rans to English champions What special gift did Gazza leave in Erik Thorstvedt's goalkeeping gloves as an unforgettable welcome to Spurs You'll find out the answers to these questions and much much more in the pages of *Football Fables* Featuring in depth interviews with the likes of Ron Atkinson Bryan Robson Barry Fry and Peter Shilton *Football Fables* is an intriguing and insightful journey down some of the more mysterious avenues of the footballing world
