

The Crucible- Lesson Plan #1

GRADE LEVEL / AGE GROUP	11 th grade/ Juniors
CONTENT AREA	English 11- American literature
FOCUS AREA / CENTRAL FOCUS	Introduction to McCarthyism , historical information on The Crucible, and background information on the correct way to read a drama.
STANDARDS CONNECTION	
Common Core Standards:	
RL. 11-12.9 Demonstrate knowledge of 18 th , 19 th , and early 20 th century foundational works of American literature, including how two or more texts from the same period treat similar themes. Students should be familiar with different forms of fiction and genres (novel, drama, etc.)	
GOAL/SUBJECTIVES	
The goal of this lesson is to provide students with background information on the age of McCarthyism and to provide them with information that is necessary to know prior to reading a play that is meant to be acted out on a stage. The play will be clearer and stage directions can be taken into consideration when students are reading. Students will also become familiar with The Salem Witch Trials of the 17 th century in the newly founded American colonies.	
Academic Language Concepts and Vocabulary	
In order to read a play successfully and understand the full meaning of the text, the students will use the terms "act", "scene", and "rising action". These terms were presented in the presentation attached to this lesson.	
PRE-REQUISITE KNOWLEDGE AND SKILLS	
Students in this class have already completed their studies on two different eras in American literature prior to the study of McCarthyism. Those two eras include: Realism (students read The Declaration of Independence) and the Romantic era along with the dark side of Romantic literature, gothic American literature (students read The Devil and Tom Walker and The Legend of Sleepy Hollow by Washington Irving). As well as the reading of these texts, students have studied this time period in American history in both their 8 th grade history class as well as in their 10 th grade history class. They are familiar with the events that the United States were founded upon as well as the movement into a democratic nation.	
Rationale of Learning Activities / Tasks	
Content Pedagogy- Research shows that quickwrites are a way for students to let their thoughts flow without stopping to make revisions or correct misspelled words. The focus for a quickwrite is to generate ideas and reflect what they know on a topic. In this lesson, the quickwrite at the beginning of the lesson will allow students to write what they already know about the Salem Witch Trials (Tompkins 99).	
INSTRUCTIONAL MATERIALS, RESOURCES, EQUIPMENT	
For this lesson, the required materials are: teacher computer, YouTube link to the video for the hook of the lesson, dry erase board for pre-assessment, SmartBoard, projector, PowerPoint presentation of the material (saved electronically on the computer), and a copy of the presentation for student with 504 plan.	
USE OF TECHNOLOGY	
Technology will be first introduced into this lesson when the hook is presented, a video clip recapping the events of The Salem Witch trials on YouTube. In this lesson, technology will also be used to present the necessary material over the age of McCarthyism, the historical background on The Salem Witch Trial, and the proper way to read a text that was written to be performed on a stage via a PowerPoint presentation created on the computer and

The Bitch Posse Martha O'Connor, 2006-06-13 These are the confessions of the Bitch Posse Cherry Rennie and Amy were outcasts rebels and dreamers And their friendship was so all encompassing that some would call it dangerous This is the story of three women as seniors in high school and as women in their mid thirties who formed a bond in order to survive the pitfalls and perils of their lives In the present day one of them is a wife and mother to be trying to live a normal life One of them is a writer who engages in a number of self destructive relationships And one of them is in a mental hospital and has been ever since that one fateful night fifteen years ago when a heart wrenching betrayal and the unraveling of relationships led them to a point of no return where their actions triggered unimaginable consequences These secrets have torn them apart while inextricably binding them to one another What happened to them And can they survive their shared history even today The Bitch Posse is an anthem for friendships that defy society's approval or disapproval It's a novel of secrets courage sacrifice and hope against the odds It is both a journey back to being a girl on the verge of adulthood and a journey forward showing how the events of our past can unearth the best in us today Dare to jump in The Bitch Posse is a riveting and emotionally charged read No fluff here Chicago Tribune

Closing the Gap Karen Keaton Jackson, Sandra Vavra, 2007-09-01 Without contraries there is no progression William Blake This is a book about reality and hope Its chapters reframe the concept of gap acknowledging distances for example acknowledging old insights and theory while also honoring teacher discovery However it refuses to bow under the weight of these challenges Its contributors focus instead on how to overcome acknowledged inadequacies in learning how to teach writing as well as how to practice

principled literacy instruction These contributors see gaps not as unbridgeable chasms but rather as opportunities to educate their students to use writing to understand the broader context of their education and pre service candidates to adapt curriculum creatively Contributors include new and seasoned secondary school teachers graduate students and university faculty who together remind us of old insights needing to be passed along Villanueva and show us new practices that challenge the conventions of the status quo and promote social justice To close the gaps in short they demonstrate how rhetoric and truth are intertwined In a time when too many children continue to be left behind this book should be required reading for all literacy teachers because it is in our continued willingness to learn from each other that hope resides

Re-visioning Historical Fiction for Young Readers Kim Wilson, 2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re visioning and rewriting the past according to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist s potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers
