The Twenty-Ninth Poem: Vol. 2 Daddy Dave, 2014-04 In The Twenty Ninth Poem Vol 2 author Daddy Dave dedicates a variety of poems stories and observations to his daughter in honor of her twenty ninth birthday As with his first volume which was dedicated to his son this collection offers additional unique observations about life Written in free verse non rhyming style many of the entries reflect the mystic union between father and daughter and then a moment later I blew a little harder and a little harder until finally I exhaled through my nose hard enough onto that little finger of yours that I made a slight honking sound and you giggled That was the seed of the magic and within seconds the concept clicked with you and you ran down the hallway showing off your newly acquired talent to your mother from How to Blow Your Nose No two children are

exactly alike and so this second volume differs from the first in that it includes some short stories many written by the author's daughter when she was in the fourth grade and included here with minor modifications Children and families are precious and Daddy Dave encourages every parent to write down their own versions of unique stories so that they can be remembered considered and passed down to future generations **Short-Stories Masterpieces, Vol. 2 French** J.
