The Day He Kissed Her:

Without You Sue Langford, 2012-02 Who knew a chance meeting would end up like this Ava Ross was a no nonsense kind of girl After years of trying she still hadn't met the right one Instead of embarking on another bad blind date she escaped on vacation with her friend Rose Shaw The two were a force to be reckoned with They flirted and laughed their way through a week in the sun Two tickets to see the Aces changed everything She came face to face with the one man she'd always dreamed about dating It was too bad he was married or was he There was no way that this could really be happening to her Or could it Joe Morgan was the ultimate superstar He'd been a part of the Aces for years He'd played cities all over North America and seen tons of women but one always stood out in his memory He never did see her again that is until she walked in the door with his friend He knew she had read about him She'd heard rumors gossip and lots more The question is would she date him knowing everything she'd learned The one girl he'd dreamed about for years was within his grasp but would he lose her to the gaggle of ex girlfriends in his past

The Weddin' Day Barbara L. Jent, 2008-03 Turn back the pages of time to experience love and betrayal in the mountains of West Virginia one hundred years ago In The Weddin Day first time author Barbara L Jent calls on deep ancestral memories to spin a yarn based on the true story of her own great grandparents In their hands we see the frailties of love put to the test and the power of love to overcome all but this is much more than a tale of two star crossed lovers It is a passionate story of the land and the stubborn people who tenderly coaxed that life from the soil It is a glimpse of a bygone way of life virtually unchanged for 1 000 years or more as the winds of progress shake the mountains themselves Today those hills and valleys stand unchanged as do the recollections of the families who loved this way of life This is a tale of hardship and sacrifice but it is also a testament to the strength of family and the power of love It may be a story of a bygone place and time but it is also a reminder of all that truly matters in our world today Step back into that world of mountain life to see how deeply the heart can ache and how high it can soar on The Weddin Day
