

An inside account of the multi-billion-pound world of private equity and a masterclass on the dos and don'ts of dealmaking.

In *The Dealmaker* Guy Hands shares the ups and downs of his tumultuous career as a serial entrepreneur. He gives blow-by-blow descriptions of the huge deals that he has done over the years. He explains how he approaches each opportunity, whether that involves cinema chains, pubs, aircraft leasing or green energy. And he offers a brutally honest account of the deal that almost bankrupted him – the acquisition of multi-national music recording company EMI, just as the financial crash loomed. Above all, he gives the reader a real sense of what it's like inside the secretive world of private equity, describing in frank detail the pressures and rewards involved.
