The Demon Be Damned J.K. Norry, 2019-11-20 Demons are created by a mind at war with itself The demons on Earth are influencing humanity s path far too much and devils are finding doorways to the realm that did not exist before Only a demon created in Heaven and forged in the fires of Hell can make a difference when Heaven and Earth begin to bleed into each other Only a demon with the power of an angel and the heart of a devil can find a way to drive the devils back to Hell and keep all those demons in check But why would he want to God s back turned on Roche a long time ago The one most dear to him is by definition his greatest enemy Roche has no place in Heaven no friends in Hell and no fun on Earth The more his soul descends into darkness the more he is convinced that reality itself is fundamentally flawed He must find a way to understand his own existence and reconcile it in a way he can accept Otherwise he will have to end all the worlds The Demon Be Damned is a prequel to the story told in the Walking Between Worlds trilogy The only witness there from the start is the original demon Roche His tale goes back way back and we have to trace it to the very beginning to see just how vital his role has been in the continued existence of humanity Recommended reading order Walking Between Worlds Demons Angels Rise of the Walker King Fall of the Walker King Before Walking Between Worlds The Demon Be Damned The Heart of the Dragon release date TBA
