## SERVICE MANUAL

### IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Retailers and their service personnel. It has been assumed that basic service procedures relevant to the industry, and more specifically YAMAHA Products, are already known and understood by the users, and have therefore not been included.

**WARNING:** Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Retailer or the appointed service representative.

**IMPORTANT:** The provisions or any of this manual or any sub-label or film does not constitute authorization, certification or recognition of any applicable technical regulations, or establish a privileged agent relationship of any kind.

The data provided is believed to be accurate and applicable to the units indicated on the cover. The research, engineering, and service departments of YAMAHA are continuously working to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to retrofit. Should any discrepancy appear to arise, please contact the distributor's Service Division.

**WARNING:** Some discharges can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground line in the wall (every ground block with contact to this block).

**IMPORTANT:** Turn the unit OFF during disassembly and part replacement. Wait until all work before you apply power to the unit.
