_____ These books are revised from the original series The Midrosian Chronicles Caution They range from
steamy to very dark For content advisories please see my website [sophiekisker dot com](http://sophiekisker.com) _____ Memories
Chapter 1 Lydia I'm not sure how the book got into my hands I've ignored the deep blue cover and the gilt lettering of the
large volume for many lunars as I dust and clean my master's study It's forbidden to me And yet somehow I'm holding it With
the skills I taught myself in secret I sound out the title La spen teer a tee a L a Spentiratia I screw up my nose as I struggle to
translate the words The Ancient Ocean I wonder if it's full of tales of imaginary aquatic beasts Or maybe it's about the real
wonders of undersea life I scarcely breathe as the book falls open to a drawing of a magnificent sea creature The caption
above the picture says E nor mer i pod Enormeripod Hmm that means large footed creature Not a very original name Lydia A
horrified gasp comes from the doorway I shriek and the book falls to the carpet still open to the page I was studying I stare at
Bena who stares back The older woman opens her mouth to speak perhaps to warn me but it's too late Our master's large
frame appears behind her I take in his shocked face for only a moment before I throw myself to the floor bowing so low my
face flattens the carpet fibers my arms thrust forward in supplication Master I cry out I I'm sorry It's just so beautiful and I
tried to ignore it and I don't know why Terror chokes off any further speech Lydia His voice is stern but not angry Lydia look
at me I lift my head but can't look him in the eyes so I stare at his feet It is a marvelous book isn't it I give a tiny nod Yes
Master Tears gather in the corners of my eyes He steps over to the book The page with the exquisite drawing lies open and

incriminating Oh yes That was one of my favorite creatures too My father gave me this book when I was ten He bends over picks it up and puts it back on the shelf Then he sits down in the large desk chair and swivels around to face my still prostrate form Lydia you know what the rules are and you know what the consequences are It s a statement not a question I ve known the law since my earliest memories as a child I tremble my head once more buried in the carpet as though humility can save me I think however it s possible that you were only holding the book not looking inside and that it didn t open until it fell to the floor I can scarcely believe that he s going to lie for me Holding a book is bad but opening it more than doubles the penalty Master I look up to him blinking to clear the tears He smiles at me Master th thank you My voice is so soft I m not sure he hears me He leans over to cup my chin with a gentleness I don t deserve If this were a smaller matter we d deal with it here at home but it s not and if I don t report it someone else will I know sir There s no question of escaping the consequences Master is fair but strict and the law is clear I m going to go enter your name on the list for the next Punishment Day and you won t clean in here anymore He shakes his head as he stands I m just glad you can t actually read the Br ini words The consequences for that are dreadful He leaves the room and I struggle not to throw up on the expensive white carpet _____
