A Second Chance With Two Bears Kelex,2015-11-11 After Ben's mates are murdered Red and Quentin quickly move in to comfort the human Their animal instinct drives them closer because they realize Ben is now meant for them They watch over and protect the broken man allowing him to mourn and grieve for the love he lost ever hopeful they'll one day be able to claim what is theirs Ben eventually senses their connection once the haze of despair begins to fade Yet he cannot stop the guilt that causes from consuming him He clings to the pain and memory of what was instead of allowing himself to think of what could be When Ben attempts to leave Bear Mountain behind his bears race to stop him He knows he has nothing left to give them and demands they let him go So Red and Quentin make him an offer he can go if he agrees to one night in their arms Can he possibly leave after that

His Reluctant Omega: An Omegaverse Book Kelex,2022-08-27 Omega Avery Stephens refuses to be the compliant submissive mate he was raised to be He's tired of being told he's less than and will have to wait for an alpha to come and save him from the virtual prison that is the Omega Quadrant After his fathers die in a tragic accident he must stand up and be responsible for his younger omega brothers Knowing their savings will only last so long he looks to the future Avery will need an income and not the pittance an omega can make He shears his long locks purchases illegal scent blockers and misrepresents himself into college under the pseudonym Abraham Norcross a beta Once there Avery does everything in his power to prove his kind can be more than a womb with legs but when he comes across his alpha he struggles not to be the stereotypical weak and needy omega Instinct causes him to think too much about dropping to his knees and begging the man to fill him with a child Can he find a path somewhere between heaven and hell and still hold on to his self respect

This is chonky 140 000 word gay non shifter omegaverse book filled with a lot of love some pain a few tears but not as many as the first book I hope and plenty of spicy times between a loving alpha and his omega **Cherished by Two Bears** Kelex,2016-06-15 Colton McCreary's return to Bear Mountain hasn't gone as smoothly as planned His damaged face has always caused people to stare but for some reason the looks are ten times worse coming from those at home those who know the McCreary name for all the wrong reasons His imperfection only adds to their distaste He ends up hiding in the shadows as much as he can watching life passing him by Brandon and Zander are offered a vacation in Bear Mountain to meet with the alpha Brandon's surgical skills have him courted by Declan and many in town with hopes the pair will move there and take over the new wing of the clinic Upon arrival they immediately see Colton and know he's their third from their first glance Brandon's ready to stay Zander's less sure Bear Mountain could be their home Between less than welcoming bear shifters werewolf attacks at the borders of the new wall and the threat of war to come Zander fears they need to get out while the getting's good Will there be enough time for the three to find a way to come together before violence erupts

A Stag for Two Bears Kelex,2015-12-09 Someone's been killing off deer shifters just across Bear Mountain's county line where the neighboring Indian reservation and the river

meet Most in the den agree that it looks like one of their own is to blame Bear shifter Magnus joins with the rez s sheriff to help find the culprit Magnus could ve had an easier time of it if one deer shifter didn t drive him to distraction He knows his mate the minute he lays eyes on the male Finding the male is bittersweet It brings up memories of the brother bear Magnus lost years before Like many of his herd Tobias is weary of the bear shifters across the river He too senses the draw toward Magnus but he tries to ignore the feelings Deer shifters aren t known for their monogamy or mating for life and he doesn t see a reason to change his whole life for the bear

Digital Play Stephen Kline,Nick Dyer-Witthof,Greig De Peuter,2003
In a marketplace that demands perpetual upgrades the survival of interactive play ultimately depends on the adroit management of negotiations between game producers and youthful consumers of this new medium The authors suggest a model of expansion that encompasses technological innovation game design and marketing practices Their case study of video gaming exposes fundamental tensions between the opposing forces of continuity and change in the information economy between the play culture of gaming and the spectator culture of television the dynamism of interactive media and the increasingly homogeneous mass mediated cultural marketplace and emerging flexible post Fordist management strategies and the surviving techniques of mass mediated marketing Digital Play suggests a future not of democratizing wired capitalism but instead of continuing tensions between access to and enclosure in technological innovation between inertia and diversity in popular culture markets and between commodification and free play in the cultural industries publisher description
