Message of the President of the United States Communicated to the Two Houses of Congress United States.

President,1853 **Message from the President of the United States to the Two Houses of Congress at the Commencement of the ... Session of the ... Congress, with Reports of the Heads of Departments and Selections from Accompanying Documents** United States. President,1853 Ovid and the Moderns Theodore Ziolkowski,2005

The reasons for the conspicuous popularity of Ovid his life as well as his works at the turn of the new millennium bear investigation This book speaks of the new bodies assumed in the twentieth century by the poems and tales to which Ovid gave their classic form including prominently the account of his own life which has been hailed by many writers of our time as the archetype of exile I intend to suggest some of the reasons for Ovid's appeal to different writers and different generations from the Preface Theodore Ziolkowski approaches Ovid's Latin poetry as a comparatist not as a classicist and maintains that the contextualization of individual works helps place them in a larger tradition Covering the period 1912 2002 **Ovid and the Moderns** deals with the reception of Ovid and of Ovid's works in literature After beginning with a discussion of

Giorgio de Chirico's Ariadne paintings of 1912 and the Hofmannsthal Strauss opera Ariadne auf Naxos Ziolkowski considers European literary landmarks from the High Modernism of Joyce Kafka Mandelstam and Pound by way of the mid century exiles to postmodernism and the century's end when a surge of interest in Ovid was fueled by a new generation of translations One of Ziolkowski's conclusions is that the popularity of Ovid alternates in a regular rhythm and for definable reasons with that of Virgil The Tin Heart Gold Mine Ruth Hartley, 2016-12-15 Heart of Darkness and Lust for Life collide as the Cold War in Africa gets hot Lara the artist loves both Oscar a suave older entrepreneur and owner of the Tin Heart Gold Mine and Tim a journalist seeking truth This is a dramatic story about vibrant intriguing characters passionate about art love the making of money and the African bush whose lives become entangled in war and politics How well do we ever know the people we love The Tin Heart Gold Mine opens in 1985 with Lara and Oscar lovers in the wilderness of Chambeshi surrounded by beauty and hidden danger It immediately switches to London in 1988 where Lara's past love for Oscar is threatening her marriage to Tim He leaves for Africa on a journalistic assignment furious because Oscar has left Lara valuable paintings It is possible that Oscar not Tim may be the father of Lara's son but Tim wants to be his sole provider A traumatized Lara starts therapy How has her passionate commitment to art trapped her in this situation Lara began her career as a wildlife artist in Chambeshi where she met Tim and Oscar at her art exhibition Tim and Lara become friends whilst Oscar commissions art from her and promises employment at the Tin Heart Gold Mine Lara is fascinated and curious about Oscar They become lovers Lara finds first hand how colonialism and the Cold War are causing civil war in Chambeshi Tim's investigations into Oscar's work make him distrust the man and his political ambitions and he tries to warn Lara Neither knows how dark and deep Oscar's plan for his survival is where it will lead or the violence that Lara will have to physically endure at Oscar's hands The Tin Heart Gold Mine is a fast moving novel providing an intense portrayal of an artist's life in London and painting the landscape and politics of an African country in colourful and truthful detail It will appeal to fans of contemporary fiction as well as those who enjoyed Ruth's first novel The Shaping of Water **Resurrection** Nastasja Buckwar, 2025-08-18 Resurrection Poems and Art Along the Path of Healing Resurrection is not just a book it's a journey A powerful collection of poems and artworks by Nastasja Buckwar this book traces the winding road from darkness to light from trauma to transformation Each piece is part of a healing process that refuses to stay silent giving voice to pain resilience and the unbreakable will to live Structured in phases the book mirrors the rhythm of recovery from the rawness of fragmentation through confrontation reflection and empowerment toward the gentle arrival of self acceptance and inner peace With every poem the reader is invited not only to witness but to feel to remember and to rise Nastasja Buckwar writes with honesty and vulnerability drawing from her own experiences of abuse silence and survival Her words and images offer companionship to those who are still walking through their own shadows a reminder that even in brokenness beauty can bloom This is a book for anyone who has ever felt lost unseen or too much A book for those who keep walking A resurrection
