Boy in the Blue Hammock Darren Groth,2022-04-30 In a time of isolation and scarcity a regressive regime rules with absolute power turning neighbour against neighbour and crushing dissidence with deadly force A microcosm of this monstrous time the tiny Pacific Northwest town of Gilder In a house on the fringes of the decimated hamlet Kasper fifteen intellectually disabled limited ability to speak has miraculously survived the slaying of his family But alone he is a fleeting miracle Alone he is on borrowed time Alone his yellow headphones brown blanket and beloved copy of The Gingerbread Man are scant consolation Alone he is destined to die within the folds of the blue hammock hanging from his bedroom ceiling Kasper is not alone Tao failed service dog turned family pet has also survived the attack And with the discovery of Boy Tao understands he has a duty guide the last living member of his pack out of the house and through the ravaged streets of Gilder to safety The destination The one refuge he can conceive of in a world gone mad Boy in the Blue Hammock is an epic tale of loss and loyalty of dissent and destruction of assumption and ableism With a unique premise powerful narrative and evocative prose the novel might be the best kept literary secret of 2022 **Motor Truck Journal** ,1923 〇〇〇〇〇〇〇〇〇〇 : 〇〇〇 〇 〇〇〇,〇〇〇,1996 Billy Mcrodeck Khreyj,2014-07-08 Sean Palmer High School is one of the best high schools in Beverly Hills But an incident makes it lose its reputation Schoolboys are dying from using drugs How is this possible What type of drugs is it Who sells the drugs and why is the target students of this high school and not another one These questions will be answered with the help of Billy He is liked by his father to the detriment of his big brother Jack His researches will lead to discoveries and revelations concerning not only the organization that is the basis of these events but also Billy s family But these revelations will not prevent him from carrying out the mission for which he is devoted The Boy with Stars on His Ceiling Lew Bull,2023-03-25 Seventeen year old Joshua Jones is a fun loving boy with the usual troubles bullying at school and being in the closet Now his mother insists he see a psychologist Is this because he speaks to his dead father s ashes in their golden urn Joshua doesn t know and worse no one will tell him anything When Joshua joins an extracurricular drama school he not only discovers that he is naturally talented but he also finds love in the form of Michael Armstrong whose parents are both accepting of their son s gayness With Michael s friendship and encouragement Josh comes out of the closet and into his true self However Joshua s mother blames Michael for Joshua s gayness How will the boys resolve this Will Joshua and his mother be able to deal with the issues of coming out Love At Second Glance Karina J Bassett, Tao Yi never expected her first love to break up with her nor did she ever imagine that one day she would go on a blind date She had just returned to the country when she was forced into meeting a prospective match Yang Sinian was noble and restrained polite and well mannered so flawless he left no room for criticism To brush things off Tao Yi deliberately painted herself as lazy and unreliable She thought they would never cross paths again Yet the very next day she and Yang Sinian walked out of the Civil Affairs Bureau side by side holding freshly stamped marriage certificates After marriage the two treated each other with respect appearing harmonious on the surface but never truly understanding one another Until one stormy night Thunder

roared and lightning cracked so loudly that Tao Yi couldn't sleep. She knew her nerves were overly sensitive and planned to warm up a glass of milk in the living room to help herself relax. But the moment she opened her door she ran into Yang Sinian stepping out of his study. He was wearing a fitted silk pajama set, his hair neatly styled, his whole appearance refined and meticulous, no sign of late night overtime as if he had been waiting for her to fall right into his trap. Their gazes met. He looked at her intently and said slowly, "Can't sleep? If you'd like, I can keep you company." At their very first meeting, Tao Yi's impression of him was rigid and boring; his good looks were the only redeeming feature. But later she realized her first impression had been completely wrong. This man was in fact considerate, interesting, and dangerously good at seduction. **Public**
