Tascam Reference Manual:

TASCAM Randy Alberts, 2003-02 Book TASCAM 30 Years of Recording Evolution is an informative archival book devoted to the company's groundbreaking product line and the people who created it. Recalling the company's perennial leadership role in the music and pro audio industries, firsts include the 1/2 inch 8 track recorder the Portastudio and the digital DA 88 with a glimpse towards the future. This book warmly portrays key past and present employees by re-visiting the landmark products they've built together since 1974. Quotes from respected musicians and producers who have trusted TASCAM gear for seminal recordings including Bo Diddley, Jim Keltner and Alan Parsons are sprinkled throughout this timeline based book. Learn how TASCAM products changed the way musicians captured their ideas and empowered a new generation of songwriters and engineers. Wow! The first classic piece of TASCAM gear I had was the first 4 track Portastudio. That thing allowed me to put so many classic P-Funk song ideas down that I can't even count 'em. Bootsy Collins, Bassist, Songwriter.

Film and Television Composer's Resource Guide Mark Northam, Lisa Anne Miller, 1998. Many musicians are finding a new market for their music scoring for films and television. This comprehensive resource guide provides all the practical tools and information needed about how to organize and run a film and television music business. Section I contains helpful marketing materials such as sample letters, brochures, postcards, resumes, and product packaging. Section II provides forms, documents, and examples for the management, production, recording, and delivery of music for projects. Section III features frequently used sample contracts and agreements, and Section IV lists other composer resources such as a glossary of terms and abbreviations, info on performing rights organizations, attorneys, and agents, listings of different markets to tap, internet resources, and much more. Essential for any musician interested in a career in film and television music.
