Discipleship/Radical Results John F. McGeorge, Jr., 2003-05 **Women Writers and Experimental Narratives** Kate Aughterson, Deborah Philips, 2021-01-23 This book explores the history of women's engagement with writing experimentally Women writers have long used different narratives and modes of writing as a way of critiquing worlds and stories that they find themselves at odds with but at the same time as a way to participate in such spaces Experimentation of style mode voice genre and language has enabled women writers to be simultaneously creative and critical engaged in and yet apart from stories and cultures that have so often seen them as other This collection shows that women writers in English over the past 400 years have challenged those ideas not only through explicit polemic and alternative representations but through disrupting the very modes of representation and story itself **Creole Italian** Justin A. Nystrom, 2018-08-01 In Creole

Italian Justin A Nystrom explores the influence Sicilian immigrants have had on New Orleans foodways His culinary journey follows these immigrants from their first impressions on Louisiana food culture in the mid 1830s and along their path until the 1970s Each chapter touches on events that involved Sicilian immigrants and the relevancy of their lives and impact on New Orleans Sicilian immigrants cut sugarcane sold groceries ran truck farms operated bars and restaurants and manufactured pasta Citing these cultural confluences Nystrom posits that the significance of Sicilian influence on New Orleans foodways traditionally has been undervalued and instead should be included along with African French and Spanish cuisine in the broad definition of creole Creole Italian chronicles how the business of food broadly conceived dictated the reasoning means and outcomes for a large portion of the nearly forty thousand Sicilian immigrants who entered America through the port of New Orleans in the nineteenth and early twentieth centuries and how their actions and those of their descendants helped shape the food town we know today
