## Assigning Magic and Skills

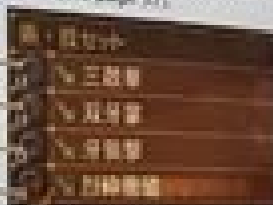

For characters whose control modes are set to "manual" or "semi-auto," magic or up to four skills can be assigned in the Magic & Skills Setup Window. Assigned magic and skills can be used by pressing the user-set combinations of the left stick and the A button while in battle (see page 57).

Use with A button only

Use with left stick up + A button

Use with left stick down + A button

Use with left stick left/right + A button

## How to Assign Magic and Skills

Use the left stick or the directional pad to choose a place to assign a magic or skill, then press the A button. Finally, select a skill or a magic spell to assign, then press the A button.

## Learning Magic & Skills

Magic and Skills are learned in the course of battle once you reach a certain level. You may also discover new magic and skills during battle by performing certain them a specific number of times.

# Menu Screen / Equipment

Each character has five slots in which weapons, armor and other items can be equipped: "main," "sub," "head," "body," and "accessory."

## Equipment Screen

Here you can look at and change items that characters have equipped. To change the character that's displayed, press the left and right triggers.

Item List

These are the items that the currently displayed character can equip.

Equipped Items

Item Description

You can switch the description ON and OFF by pressing the START button.

## Changing Equipment

In order to change equipment, select the slot and the item to equip there, pressing the A button each time. You may also push the right stick button to automatically equip the best possible items, or you can press the X button to unequip all item slots except for "main" and "sub."

Item Order

Switch with the BACK button.

Only here to the weapon (see page 40)

Use change when weapon is equipped

If your stats (offense/defense) will increase if you equip the selected item, they will be displayed in blue; if they'll decrease, they'll be displayed in red.
